BARRY GREENBERG advised on July 17, 1970 that there was to be a big disturbance tomorrow evening at Palo Alto, California, and the Revolutionary Union (RU) was behind it.

RU members planning to go to the activity are expecting to be arrested and all that can be spared have been instructed to participate at this disruption.

The RU intends to use force against the police.

FOIA(b) (7) - (D)

CASQUIERO and BOROVY advised that the Student Collective of San Jose would be in Palo Alto tomorrow in force. They plan on forming "infinite" groups for the purpose of hit and run tactics. They will try not to be caught.

On the morning of July 18, 1970, a meeting in San Jose was planned at 10:00 a.m. for all of the various front groups and JIM RANSOM will lead the discussion concerning further plans for the evening's activities.

RU members plan on taking some "stuff" with them to Palo Alto.

They plan to cause the disturbance in the "plaza" or downtown section of Palo Alto.

BARRY GREENBERG said that the downtown Palo Alto area is relatively small as it has only three (3) main streets. He said in order to escape, the participants should fade into side streets and then into the surrounding area. It was noted that in each infinite group one person would be included that knows the area. As many of the RU that can will go up to Palo Alto and there are to be carpools which will be formed in San Jose. The response from San Jose has been very good.

MATTHEW STAHL is in the Student Collective of the San Jose RU. BARRY said that STAHL had skipped out of the RU the first time, but that he had been re-accepted because he had learned from his previous mistakes and is now progressing satisfactorily.

JULY 17, 1970
SAN FRANCISCO, CALIFORNIA

The RU is to come out with "Red Paper No. 4". Thirteen (13) persons from different collectives are to edit the paper. These individuals will meet in San Francisco during August and September.

BARRY made the comment that he had talked with BOB SAIBEL and DAVID SHEN and all three agreed that LARRY GOFF and JIM RANSOM should be on the staff for this paper.

BARRY GREENBERG is going to New York next month to form collectives. He said that many people in New York are ready for revolution. They need someone there to form collectives. GREENBERG also commented that the RU now has collectives in the northwest and middlewest.

GREENBERG explained the RU to BETTY GOFF. He stated that it was an organization to help the workers. He said the three (3) basic principles are:

- (1) Dictatorship of the proletariat (the workers ought to be in control)
- (2) Armed struggle to take the ruling class out of their position
- (3) Democratic centralism (each individual should learn to do what the Party says)

BETTY GOFF is to start right away by attending Community Collective meetings. She is suppose to attend her first meeting in two (2) weeks.

CHRIS MENCHINE started a twelve-day jail sentence today.

GREENBERG also noted in passing that [REDACTED] has typhoid fever.

The San Jose [FOIA(b)(7) - (D)] of the Revolutionary Union (RU) held a meeting on July 19, 1970, Sunday morning, at 9:00 a.m., 145 North King Road, San Jose, California. BOB SAIBEL chaired the meeting. Approximately [] persons were present:

FOIA(b)(7) - (D)

ANGIE KAVELAGE announced that next Saturday there will be a big thing at San Rafael. She said that some of the RU members will be going to San Rafael to support the ITA Union, a printer's union, in their strike there.

DARRELL is a member of this union. He said that there had been fire bombings in connection with the union's strike and that one person had died. The Collective applauded this statement. DARRELL went on to say that the ITA was not responsible for the bombing.

There was a discussion concerning the "Maverick". Each collective of the RU is to form a work team which will help put out the "Maverick" newspaper. The Workers Collective, San Jose RU team, will include RON GRACIA, JULIE, and a new man named JOHN (last name unknown), code name IRVING.

BOB SAIBEL was against JULIE being on the work team.

In reference to the summer offensive, LARRY SNYDER did not think that this program had progressed far enough. At this point, LARRY GOFF was called on since he has been the Worker's Collective representative on the summer offensive and GOFF said he chose to turn his responsibilities concerning the summer offensive over to SNYDER because he, GOFF, had all that he could handle with the collective security job. The collective agreed.

GOFF then gave a report on how to present a work report and provided an outline so that those giving work reports would have something to follow. The collective approved.

DAVID SHEN and LARRY GOFF will meet once again to modify this outline in one or two places. SNYDER gave a report on RU discipline and defined it.

There was a discussion concerning recruiting. GOFF told the collective BETTY SUE, his wife, was going into the Community Collective, and the collective was very happy about this.

RON GRACIA then gave a work report. He works at a grocery store.

Among those present were the following:

FOIA(b)(7) - (D)

ANGIE KAVELAGE had decided to move to the Telephone Company with JULIE, since this is what the collective wants

A Revolutionary Union (RU) study group met on July 19, 1970 during the evening at VONDA BLACK's residence, 630 Longview, San Jose, California.

VONDA was very upset as her 14 year old boy, JERRY, was in an automobile accident last Thursday and is in critical condition at Alexian Brothers Hospital, San Jose. At this point the consensus is that there is not much chance of him pulling through.

FOIA(b) (7) - (D)

There were [REDACTED] present at this meeting. The meeting consisted of the study of the red book, "Quotations of MATO Tse-tung".

BARRY GREENBERG led the group discussion. GREENBERG is a good teacher and followed the teachings as set out in the book. He concentrated at this meeting on definitions of words to be used in future study periods; such as, capitalism, imperialism, Marxism-Leninism, the workers, working class, broad masses, running dogs (the lackeys of the imperialists). The lesson also concentrated on the first chapters of the book. It was noted at the meeting that MELODY HARTLINE leaves for Cuba some time between Wednesday and Sunday of this week and that she will be gone for six to eight weeks.

A girl named LUCY made the comment that MELODY was going to go to Cuba to "pick fruit".

BARRY GREENBERG said in discussing the Palo Alto disruption which was also to take place on the evening of July 18, 1970. BARRY said that the pigs got scared and backed down. He said they probably knew that there would be several people killed on both sides if the pigs confronted those in the plaza.

GREENBERG went on to say that San Jose had 60 or 70 persons there, that they formed a brigade which was organized and disciplined. GREENBERG said that this group was carrying rocks and tire irons. He went on to say that because the pigs did not confront them, it was a victory for our side.

The study group lasted from 8:00 to 10:45 p.m.

On July 29, 1970, a Revolutionary Union (RU) study group met at VONDA BLACK's residence, 1630 Longview, San Jose, at 6:30 p.m. DAVID SHEN was in charge and there were [redacted] present.

The group studied "Quotations from Chairman MAO Tse-tung". The group was still in the first chapter and centered their study on a quotation located on Page 3 of this book which states, in part: "...a well disciplined Party armed with the theory of Marxism-Leninism, using the method of self-criticism and linked with the masses of the people; an army under the leadership of such a Party; a united front of all revolutionary classes and all revolutionary groups under the leadership of such a Party -- these are the three main weapons with which we have defeated the enemy".

SHEN stated that the RU's philosophy follows the above-noted theory since the RU is based on Marxism-Leninism.

SHEN went on to say that the membership can expect a large amount of recruiting from RU among the Chicanos and the blacks which follows the philosophy from the above quotation "a united front of all revolutionary classes and all revolutionary groups under the leadership of such a Party".

There was quite a bit of discussion among those present concerning the above.

LUCY said that she was on the Defense Committee for Soledad. She stated that there are about seven to eight Communist Party (CP) members on this committee. LUCY pointed out that from her experiences on this committee, the CP "beats around the bush". They are engaged in a lot of talk, but they don't accomplish anything.

At the end of the meeting, each person was given a quotation to learn and to discuss at the next study group.

JULY 30, 1970
SAN FRANCISCO, CALIFORNIA

On July 29, 1970, a Revolutionary Union (RU) study group met at VONDA BLACK's residence, 1630 Longview, San Jose, at 6:30 p.m. DAVID SHEN was in charge and there were [redacted] present.

The group studied "Quotations from Chairman MAO Tse-tung". The group was still in the first chapter and centered their study on a quotation located on Page 3 of this book which states, in part: "...a well disciplined Party armed with the theory of Marxism-Leninism, using the method of self-criticism and linked with the masses of the people; an army under the leadership of such a Party; a united front of all revolutionary classes and all revolutionary groups under the leadership of such a Party -- these are the three main weapons with which we have defeated the enemy".

SHEN stated that the RU's philosophy follows the above-noted theory since the RU is based on Marxism-Leninism.

SHEN went on to say that the membership can expect a large amount of recruiting from RU among the Chicanos and the blacks which follows the philosophy from the above quotation "a united front of all revolutionary classes and all revolutionary groups under the leadership of such a Party".

There was quite a bit of discussion among those present concerning the above.

LUCY said that she was on the Defense Committee for Soledad. She stated that there are about seven to eight Communist Party (CP) members on this committee. LUCY pointed out that from her experiences on this committee, the CP "beats around the bush". They are engaged in a lot of talk, but they don't accomplish anything.

At the end of the meeting, each person was given a quotation to learn and to discuss at the next study group.

Those present were:

HARTLINE said that the RU is really "snowballing" in Santa Cruz. There are approximately sixty (60) persons involved. Most attend the university. Eight or nine of these people are in the Workers Collective or a group comparable to a collective which is very small and not too active because there is not much industry in Santa Cruz. The groups in Santa Cruz do not go by the name RU, but RU members are present and organizing.

HARTLINE mentioned the student organization but couldn't recall the exact name, but it was something like "Student Radical Activist or Activity".

Meeting off the [redacted] FOIA b 7 - D of the R.U. in San Jose , Cal.

August 2, 1970 at Blackway, at 9:00 A.M.

FOIA(b) (7) - (D)

[redacted] present. Bob Sable chaired the meeting. Literature was passed out, Peking Reviews Nos. 28, & 29, Notes on The Womens Commission, and "Towards a New Constitution" by Huey Newton.

Lengthy discussion on criticism on how Bob Sable was handling the position of Chairman. The criticism was that he tried to monopolize the meeting and the meetings were too long. It was settled that in the future that Bob Sable would remain chairman but the agenda would be broken down between collective members and each member would report on a certain subject.

Ron Gracia gave a short report on the work team for the Maverick. He said that he was unable to attend the meetings because of lack of transportation

Larry Snidier gave a report on the Summer Offensive he said that at the next meeting he would take a half an hour to teach us how to disassemble and re-assemble the 30 caliber carbine. Also he said that more people had to go to the range and practice.

Larry Goff, then, stated that ^{or otherwise} married couples should get together more often so that there would be better relations among the collective members. It was decided that after he returned from a weeks vacation that he and his wife would go over and eat at someones house.

David Shen said that the reason that he was not able to go around and help Bob Sable visit R.U. members is because they have a difference of opinion (person's grievance). The collective decided that David Shen and ~~Bob Sable~~ Bob Sable should spend more time together.

The collective decided that Larry Goff would go to San Francisco and attend meetings once a week in the months of August and Sept. to help prepare Red Papers No. 4. Also it was decided that he should start Patrol Procedure classes at San Jose City College for the Fall Semester. The object of this being to learn anything and everything that would help Comrades in defending themselves.

MILLIE works at Pittsburgh-Des Moines Steel in the office. She is in her early 20's, approximately 5'3", thin build, long brown hair and crooked teeth. She possibly drives a light blue Chevy II, two door hardtop, as such car was seen in the vicinity of SHENS.

The order of business was as follows:

- (1) Duplicated copies of the local Executive Committee report was passed out and a copy is furnished.
- (2) The Central Committee report, which is generally characterized as the "Paper on Nationalism," was discussed. This in general breaks down into four big categories: (a) on the Black Panther Party (BPP) and the RU recruitment of blacks and browns; (b) the need for the RU to become active in military work, GI organizing, etc., similar to the MDM; and (c) discipline in general.
- (3) ANGIE's work was discussed. She is still working for the union. ANGIE said that she applied for a position with the telephone company on two occasions and had been turned down. She is going to leave the union and will probably engage in community work.

FOIA b (7) - (D)

(4) LARRY GOFF initiated a discussion on PL. He indicated that the RU in San Jose should make a determined effort to drive PL out of San Jose completely and that the RU should attack PL so as to destroy it on a national basis. The membership in general agreed with GOFF's position on the need to drive PL out of San Jose but a national attack on PL would be more the province of the Central Committee. Hence, it is desired that BOB SAIBEL will take this up in the local Exec and then it will be passed on up to the Central Committee.

(5) The SCCWC - The SCCWC is still meeting every other week. The "Maverick" has a separate cadre group made up of representatives from each of the San Jose collectives who are working on the paper. IRVING and JEFF represent the Workers Collective on this cadre group. The "Maverick" is completely dominated by the RU. A more extensive discussion of the "Maverick" has been set for the next meeting.

(6) Local Education Classes - The Workers Collective now has two education classes, one for beginners, based on "Quotations from MAO Tse-tung." The other, for more advanced members, will deal with the complete works of MARX, LENIN and MAO. This latter education class meets on Wednesday nights and is being led by BOB SAIBEL and DAVID SHEN.

(7) The previous Central Committee report called for a detailed time study to be presented by each member of the RU, according to his activities on a daily basis throughout the week. Apparently all members have not turned these in as yet and they are to be completed and turned in.

(8) There was a discussion of splitting the Workers Collective into two separate collectives. During the discussion it was stated that there are now 40 members in the RU in San Jose. The splitting of the Workers Collective will be brought up at the next meeting after further discussion in the local Exec.

(9) At the meeting LARRY SNYDER read a portion of the FBI Appropriations Report dealing with the RU. This was contained in a section under China. In general the membership were well pleased by Mr. HOOVER's testimony and thought that his testimony was an accurate description of the organization.

At no time was there any mention of any RU people traveling. However, several people have indicated that they have not seen BOB AVAKIAN in some time.

The Revolutionary People's
Constitutional Convention

This matter will be further discussed in the RU and it is definite that the RU will relate to it and participate. However, the RU is making no definite plans until they have held more discussions with the BPP leadership.

Meeting [REDACTED]

FOIA b 7 - D

LINDA WREN was not present as she was attending a committee meeting at a local church. However, she still resides with CHRIS. JONATHAN ZATKIN, who is now employed as a cab driver, was present and appears to be living with MILTON.

It was noticed that there is a large trunk on the front porch with the name "PUGH" painted on it and a vest was noted hanging inside the house with the name DAVID PUGH on it.

CHRIS said that his father, DAVID MILTON, is very excited about being back in the States and is getting caught up on things. He finds everything so completely different from when he left. DAVID said that his father is living on Dolores Street and is managing a movie theater in Fremont.

During the evening, PETER STONE, who lives across the street from MILTON, came in and MILTON introduced PETER STONE as a comrade, which term in the RU means a fellow RU member.

MILTON did not say very much about RU activity in San Francisco other than to say that there is not much going in the telephone company at this time since most of the RU people have been fired. CHRIS put it that the PL was first in organizing in the telephone company. The RU then came in and drove PL out and now that the RU is out of the telephone company it will revert to PL by default.

YVONNE BOND

As of 8/22/70, YVONNE BOND continues to reside at the home of the MULHERINS in Oakland. GILBERTO ROMERO is now living at the MULHERINS and is looking for a job. The MULHERINS themselves are back from the East and have not made up their minds as yet whether or not they will go to Oceanside to work in the MDM. CATHY is still engaged in writing her book.

FOIA b 7 - D

ROBBIE LNU and his wife, SALLY LNU, who conduct the ILS weapons classes at the MULHERINS had their guns stolen some time during August by a group of black kids. ROBBIE and SALLY cleaned up the house getting rid of the pot growing in the ~~window boxes~~ and then reported this matter to the police.

DONNA MICHELSON was not observed at the MULHERINS.

collective will be decided at the next meeting.

ANGIE KALVALAGE may transfer to the Community Collective; however, she is to continue to work. ANGIE wants to try to start a tenant's union in her neighborhood among the black people.

There was a party last night at Poco Way, BOB SAIBEL's residence. It was noted that too many people got drunk and everyone was smoking grass. GOFF pointed out that there was probably a breakdown in security and suggested that a security guard be stationed at such functions who would not partake. The collective agreed.

Affinity groups for demonstrations and rallies are being formed. They will consist of two to four people. Formation of these groups will be made later. The purpose of the groups will be to be prepared for the pigs.

The Multi-National United Front was discussed. ANGIE and JULIE stated that the RU and Black Panther Party philosophy do not agree. The collective decided that the RU should recruit browns and blacks as soon as possible and that ANGIE and JULIE should recognize that the BPP is the leading revolutionary group in this country. The collective decided to recommend to the local Exec that the RU should form a united fronts with browns and blacks as well as Panthers to drive the PL out of all communities in the country by any means possible.

It was decided that no new people would be recruited by the collective, at least for a while.

RU members were passing around a booklet, reading and laughing about it. The booklet had a blue paper cover. It was a little larger than pocket size and contained comments made by Mr. HOOVER, Director of the FBI. These comments concerned the RU and PL. One quote concerned the RU practicing guerrilla warfare. The members laughed at this and said that they wished that they actually were engaged in guerrilla warfare.

AUGUST 26, 1970
SAN FRANCISCO, CALIFORNIA

It was decided that the next meeting of this collective would be at DAVID SHEN's residence, 145 North King Road, San Jose, at 9:00 a.m. Sunday, August 30, 1970.

STEVE HAMILTON

1619 FOIA(b) (7) - (D)

STEVE HAMILTON now lives at ~~1690~~ Chanslor, Apt. C, Richmond, telephone number 232-0353, and he lives there with BOB AVAKIAN. According to STEVE, AVAKIAN is back East and will be back in Richmond in about a week and a half. He is going to stay in the East to attend the Revolutionary People's Constitutional Convention.

STEVE HAMILTON use to drink a lot and then was told by the Collective to knock off the booze but he is now drinking again and has been doing so since he broke up with his girlfriend, CARLA, who STEVE said was in the RU in Richmond. STEVE is working at Bethlehem Steel in Richmond.

HAMILTON seems to be somewhat depressed about the RU now and in general avoids talking about the RU. He did say that the Richmond RU had held a pig roast on 8/29/70 and that although it lasted all day only about 80 people showed up and HAMILTON felt that there was not much of a community response.

HAMILTON also mentioned that he, himself, is soon due to serve another six months term in jail arising out of his conviction in connection with a sit-in on the UCB campus. He appears to be half looking forward to this jail sentence.

STEVE said that he is on the RU Political Committee and mentioned that the Political Committee was meeting the following morning, Sunday, 8/30/70.

STEVE had a copy of the Richmond Workers Committee (RWC) paper, "People Get Ready," and he said that to all intents and purposes the RWC is defunct. He also mentioned that the Collective is recruiting one black woman, name not mentioned, and have some relations with the Black Panther Party

(BPP) which has now re-established itself in Richmond.

MIKE FOX

MIKE FOX is now living at ANGIEs on Blazer Way in San Jose and is in the Student Collective.

JEFF BROWNING

The photograph of JEFFREY PAUL BROWNING appearing on California Driver's License A 934624 is identical to JEFF, code name TOM, who is a member of the San Jose RU Workers Collective.

Los Angeles Chicano
Moratorium

GILBERTO ROMERO, who has been previously mentioned, is now residing at the MULHERINS in Oakland and went to the Chicano Moratorium in Los Angeles. ROMERO indicated he intends to stay in this area and find a job but his efforts to look for work are not indicative that he is trying hard.

JUDY WEISS

After RON GRACIA joined the RU, it was suggested that he recruit his girlfriend, JUDY WEISS. RON reported from time to time that JUDY was not in the RU but was coming along. However, she was somewhat leery about joining the RU. RON recently said that after the Los Siete demonstration JUDY got interested in the RU again; however, as far as known, she has not joined the RU to date.

[FOIA b 7 - D] of the Revolutionary Union (RU)

The following persons were present at this meeting:

LAURIE was instructed to attempt to get employment at the Telephone Company. The collective was in accord with this suggestion, the exception being VERNON BLACK. She is to continue to do intelligence work in the office of Pittsburgh-Des Moines Steel until she leaves this company.

ANGIE, it was decided, is not to get herself fired from her job, but is to continue working because the collective needs the money that she is earning.

It was decided to divide the Workers Collective. LARRY GOFF suggested that reports concerning the activities of the two collectives be exchanged so the progress of each group can be followed by the other.

The breakdown of membership of these two collectives is as follows:

Collective 2

FOIA b 7 - D

It was noted that each collective must assign a person to handle the summer offensive, one to chair the meetings, one as treasurer, one in charge of physical fitness, one in charge of "Maverick" activities, and one in charge of security.

The Local Exec report was read and discussed. Topic on the report discussed was physical fitness. The collective had been instructed to cut down on smoking, if possible quit, and also to use the Canadian Air Force exercise program, of which DAVID SHEN handed out copies.

Also discussed was the sharing of child care by various members, which was noted in the Executive report. GOFF pointed out that there were too many people in the house and it was impossible to keep the place cool. He thought there should be less there and it was indicated by the collective to take this up with the Local Exec.

[REDACTED] San Jose, California,
[REDACTED] held a meeting
September 7, 1970 at Blazer Way, San Jose, California, at
7:00 p.m.

There was a discussion concerning a new political education program to be held every other week at Miller School, San Jose. Topics to be covered will include what is communism, what is the United Auto Workers (UAW), and what do they do, as well as other political oriented discussions. No date for this program has been set as of yet.

At the beginning of the meeting, the chair was assumed by DAVID SHEN. LARRY GOFF objected to this. He said that other people ought to have a chance at the leadership position. About 50 per cent of the collective, including RON GRACIA and DARRELL, agreed with GOFF. After discussion, it was decided that DAVID SHEN would be temporary chairman while GOFF was being trained to take over the chair. SHEN is to take charge of training GOFF and after much discussion, it was finally agreed that it would be a good idea. SHEN also stated that he will have to talk this over with MARY LOU GREENBERG and that it will also have to be approved by the local exec.

ANGIE KALVALAGE was assigned as security officer of the collective and DARRELL will act as proficiency officer. RON GRACIA will be the treasurer.

Also discussed was a name for the collective and it was decided that this collective would be called [REDACTED]
[REDACTED]

The agenda was made up for the next meeting. SHEN will give a work report. The "Maverick" will be discussed during the week and each member is to write up criticisms which will be heard at the next meeting. Two local exec reports will be read at the next meeting.

Meeting of [redacted]
[redacted] San Jose Revolutionary Union
(RU), 9/10/70, At the Home of
ANGIE KALVALAGE

Present were [redacted]

FOIA b 7 - D

The following was discussed:

(1) ANGIE had previously been directed by the Collective to quit her job with the Retail Clerks Union and join the telephone company. However, it developed that BOB SAIBEL unilaterally had told ANGIE to forget it and not quit her job. The Collective was quite upset over this and ANGIE has been ordered to quit her present employment and try to get into the telephone company.

(2) DAVID SHEN engaged in a lengthy period of self-criticism which lasted for over an hour and a half. He was not really very critical of himself. The whole tenor of DAVID's criticism would indicate that he is not doing very much. He is relating to the Black Panther caucus at General Motors. MARY LOU GREENBERG suggested that DAVID quit fooling around with the BPP caucus and get on to other things. DARRELL GROVER criticized DAVID for his male chauvinism but DAVID could not see where he had been guilty of this.

(3) The SCCWC was discussed briefly but nothing of any importance was decided.

(4) The latest local Executive Committee report was distributed in mimeographed form and dealt with BARRY GREENBERG's recent trip to the East and the mid-West on RU recruitment and with emphasis on selling the "Maverick."

During his criticism DAVID SHEN mentioned that BOB MANDEL and his Hayward group had been working at General Motors and has now broken up.

JOHN LNU indicated that he is 19 years old, has a wife and a baby, and lives on Poco Way in San Jose. He said that his main activity is in the "Maverick" and in the Tenants Union in the project where he lives. JOHN is driving an old model Rambler stationwagon.

FOIA b 7 - D

CHRIS, LINDA and another unnamed friend have borrowed some \$3,000 and are going to start a leather shop. They will make leather articles for retail sale and also with wholesale to other leather shops. They will also offer an opportunity for people in the community to make leather goods themselves cheap. To this end one of them is going to study how to make such things as shoes, sandals.

Because of opening the leather shop they received a lot of static in their Collective and they had a meeting with the local San Francisco Executive Committee, at which point CHRIS and LINDA thought that they were going to be kicked out of the RU. Subsequently three members of the RU Political Committee, BRUCE and JANE FRANKLIN, and BOB AVAKIAN came to CHRIS' Collective meeting and straightened things out, saying that it was O.K. for an RU member to engage in private enterprise and pointed out that other RU members had their own businesses, specifically mentioning a restaurant in Palo Alto and a TV shop in the East Bay.

FOIA(b)(7) - D

RU intends to become a national party and CHRIS is very much against the RU assuming such a position, saying that this was the big mistake of PL.

FOIA b 7 - D

An evaluation of CHRIS himself is that he continues to be extremely interested in guns and he talks constantly about guns. However, he gave no indication that he has been out practicing of late. CHRIS' whole attitude indicates that if he can find an innocuous way to quit the RU without any hard feelings, he would probably do so. CHRIS is an activist. He loves demonstrations because one can shout, yell and he likes to go out and chalk slogans on walls. He is one who

FOIA(b)(7) - (D)

is very interested in just rapping with people in the community.
He is not one for strong discipline and ideological quibbles.

JIM & CATHY MULHERIN

As of 9/6/70, JIM and CATHY MULHERIN had returned to their home in Oakland. JIM, along with two other guys, is moving to North Carolina to work in MDM.

CATHY MULHERIN is moving to San Francisco because she fell in love with a woman in her Women's Liberation group and is going to live with her. Both of them are leaving their husbands. This other woman, whose name was not mentioned, has a child.

FOIA b 7 - D

ROBBIE LNU and SALLY LNU, who conduct the ILS Weapons classes at the MULHERINS, were at the People's Army Jamboree in Portland, Oregon.

GILBERTO ROMERO

GILBERTO ROMERO is working at Budget Rent-A-Car in Oakland and plans to be in this locale until approximately March, 1971. He wants to make enough money to buy a truck, then will return to Santa Fe. GILBERTO and YVONNE BOND are looking for another place to live.

BOB COATES

BOB COATES is back in town and is residing at the MULHERINS.

MIRIAM CHERRY

A photograph of MIRIAM CHERRY was observed and is unknown. It is not recalled that she has ever been mentioned in connection with the RU.

DONNA MICHELSON

DONNA was not observed at the MULHERIN residence though they did mention that she lost her cat when it recently jumped out of the window when they were driving at a high rate of speed. This would indicate that DONNA is still in touch with the individuals at the MULHERIN place.

- (2) DAVID SHEN gave a report on the General Motors strike situation. About the only thing notable about his report is in reality he is doing nothing.
- (3) LARRY GOFF gave a work report. He works at the Ordnance Division at FMC and is engaged in making tanks. He indicated that he is organizing a caucus at FMC. He described various incidents at work and indicated that the caucus is pushing to have fans installed. One of the things he mentioned was the fact that at a company party he and his wife sat in chairs which had been reserved for supervisors.
- (4) It was announced that the Summer Offensive is over and has now been changed into the Fall and Winter Offensive. The Summer Offensive did not really happen and was a failure and so is being continued in the Fall and Winter.

(1) The Committee decided that a positive training program must be developed and implemented. At the next meeting the Committee members will discuss safety and will learn the breaking down and nomenclature of the M-1 carbine and the members of the Committee will then be responsible for insuring that the members of their collectives know how to break down the carbine.

(2) It was recommended that the San Jose RU have standard guns and cartridges. The standard would be the .30 caliber M-1 carbine and the 30.06 M-1 Garand or any other rifle using the 30.06 cartridge. For handguns the standard will be the .380 automatic high velocity cartridge and the 9mm cartridge. Since some people, particularly in Palo Alto, have .45 automatics, the .45 automatic cartridge will also be standard. During the course of this discussion, LARRY SNYDER displayed two guns, a ~~.380 Colt~~ automatic and a .380 HMC Mauser.

9mm Browning

(3) It was also decided that certain individuals will be designated to obtain and maintain reloading equipment and that regular proficiency classes will be held.

LARRY also stated that there will be a big gun show on the coming weekend, 10/3-4/70, at the San Jose County Fairgrounds and that a lot of RU people, as well as other movement people, will be there.

A color photo was observed and the individual is identical with JEFF BROWNING except that JEFF has now shaved off his moustache.

Present were: [redacted]

[redacted] FOIA b 7 - D

[redacted] The following activity
took place:

- (1) An M-1 carbine was detailed stripped, including the bolt assembly, and the nomenclature was gone over.
- (2) There was a discussion of safety rules.
- (3) The first class was laid out for the collectives and they will include a discussion on safety and stripping and cleaning of the M-1 carbine.
- (4) Members of the Proficiency Committee are to obtain a list of weapons possessed by members of their collectives and bring this list to the next meeting. The purpose of this is to know what weapons are on hand and who has them in order to work out how the weapons can be shared.

Lastly it was announced that there would be gun shows the following weekend in San Jose and Lodi, California. CHRIS MENCHINE mentioned that he has an M-1 carbine for sale for \$90, a 9mm Astra automatic pistol for sale for \$50, and requested that the members of the committee let this be known in other collectives in the event anyone wished to purchase the weapons.

LARRY SNYDER indicated that he was going to the San Jose Gun Show.

and a new member was added to the collective, a girl, who has transferred from the Street Collective. Neither her name nor a code name was mentioned. She was formerly at San Jose State College, is aged about 20, has long straight blonde hair, 5'3", is plump, and apparently overweight and has pale skin. She has been observed in the past hanging around with CHRIS MENCHINE at the Jackson Street address.

The Executive Committee notes were passed out and items in the notes were discussed point by point. There was a long discussion lasting almost an hour and a half on the Black Panther caucus at General Motors and the RU's criticism of this caucus and its efforts to aid the caucus in the strike. At the specific request of the Black Panther caucus, the "Maverick" will not print an article attacking the union at General Motors. FOIA(b) (7) - (D)

Two extremely important documents were passed out. One "Becoming a National Organization -- A Report to the Central Committee" is considered to be the most serious thing to come out of the RU to date and is probably pretty accurate in its content. Although this paper was supposed to be written by BARRY GREENBERG, it is believed the style reads more like LEIBEL BERGMAN. The paper is pretty self-explanatory and a copy is being furnished. The blanks in the paper refer to the Political Committee. The other paper, a copy of which is furnished, was entitled "Build the United Front Among the Broadest Section of Youth and Students, Under the Leadership of the Proletariat and Proletarian Ideology."

There followed a discussion of the SCCWC and it appears that this organization will go out of business as a reality after the next meeting and will exist only in name.

FOIA b 7 - D

LARRY GOFF continued with his self-criticism during which he mentioned that he and his wife had spent a year at one time in Costa Rico or Panama as missionaries. He realizes now that his former religious activity was foolish and that he has now found the true religion in Marxism-Leninism, MAO Tse-tung thought.

FOIA b 7 - D

DARRELL GROVER canvassed the membership as to the weapons in their possession with the following results:

FOIA b 7 - D

None
One .12 gauge shotgun
Maintained in the house
two shotguns, three M-1
carbines, two 30.06 rifles
and one Browning 9mm pistol.
Shares one M-1 carbine and
one .32 automatic pistol
Has one M-1 carbine, two
30.06 rifles and one 9mm
automatic pistol
Has one 30.06 and one .243
rifle, both of which are
maintained at his brother's
residence, and one Universal
M-1 carbine, which he main-
tains at his house.

Since FOIA b 7 - D was not present, weapons in his possession was not learned. No mention was made of anyone in the collective possessing explosives, handgrenades or other heavy stuff.

MIKE FOX

MIKE FOX recently commented that he was not working and indicated that he found work distasteful and had no intention of looking for a job.

A paper was passed out on the gun laws and then CHRIS MENCHINE read an outline on teaching methods, which indicates that the following matters will be gone in to in class: Safety, the various Gun Control Laws, the M-1 Carbine, and finally Handguns. Those present then practiced the various firing positions.

The order of business was as follows:

(1) RON GRACIA gave a report on his work and he works at Frey Supermarket, and he may be eligible to go into the Army. There was considerable discussion on whether or not RON should go into the Army and it was finally decided that he should not. Apparently RON lives with an alcoholic and it was suggested that he should try to move into a new place because his roommate poses a security problem. RON is very shy and almost appears as if he is in a trance most of the time. It is possible that currently or at one time he was on pot.

(2) DARRELL GROVER then gave a training and weapons report that went over safety rules and the ILS paper on gun control laws.

(3) DARRELL GROVER then spent almost two hours on work report, which is going to be continued at the next meeting. GROVER indicated that he is active working in his union and on the job. At this point MARY LOU GREENBERG said

FOIA b 7 - D

that GROVER should be playing a more public role on the job and also said that GROVER should socialize more with other RU people.

(4) LARRY GOFF then said that he has recruited two people at FMC. He did not identify these people. However, he indicated that one is a driver in the hot rod speedway races near San Jose. ~~GROVER~~ ^{Goff} said that these two guys will be in the Collective within a few weeks although they are not politically aware. However, the current trend appears to be to recruit workers no matter what their politics and then train them.

Two papers were passed out at this meeting, one on Student Work in San Jose and the other apparently a monthly report on Political Committee meetings. (Copies furnished.)

LARRY & BETTY GOFF

LARRY and BETTY GOFF are supposed to become open RU members soon and will be available to speak at rallies, etc.

LARRY SNYDER

At the Proficiency Committee meeting LARRY SNYDER indicated that he will be going to a gun show in Los Angeles during the coming weekend.

PAUL SAMPSON

There is an individual named PAUL that lives with ANGIE KALVELAGE, MIKE FOX and CHRIS MENCHINE on Blazer Way. It is possible that this is PAUL SAMPSON; however, this has not been established to date.

Meeting of the San Jose RU

[REDACTED] 9/19/70,
At the Home of ANGIE KALVELAGE

Present were:

[REDACTED] FOIA b 7 - (D)

Order of business was as follows:

(1) The local Executive Committee notes in the mimeographed form were passed out and were discussed point by point. A copy of these notes is furnished.

(2) LARRY GOFF and DAVID SHEN are co-chairmen of the Collective.

(3) The People's Festival, which was a joint venture of the Student Collective and some street people, has been postponed inasmuch as they are now back in school.

(4) The GM strike was discussed and DAVID SHEN gave a report which would indicate that he is really doing nothing. The local Executive Committee meeting will set up a group to work on the GM strike. Their effort will be mainly propagandizing the strike in the community.

(5) SCCWC. ANGIE KALVELAGE was selected to work on the work team to develop the SCCWC.

[REDACTED] FOIA b 7 - D

GOFF is a very dynamic and forceful individual and has a lot on the ball. He indicated that he is currently organizing a caucus in the place where he works and he has

[REDACTED] FOIA b 7 - D

been quite forceful in pushing the need for technical training. He is potentially quite a dangerous individual. There is a possibility that GOFF could be an agent. This theory is based on the fact that GOFF is a family man and for some reason just does not seem to fit in with the RU group.

(7) JOHN, Code Name IRVING, gave a self-criticism, during the course of which he indicated that he comes from South San Francisco, and that his father has been a life-long worker at Safeway. JOHN lives on Poco Way with his wife and baby and indicated that he has not done much in the way of politics on the job. JOHN said that he had been an anarchist for several years and that he and his wife were recruited into the RU by BARBARA KINGSTON. He holds the position of Distribution Manager for the "Maverick" and has also been active in the Tenants Union. DAVID SHEN urged JOHN to get out of his present position and get a job in industry. JOHN indicated that he is a member of the new stewards group in the Retail Clerks Union.

During the course of this self-criticism, there was a long discussion brought up by DAVID SHEN and ANGIE KALVELAGE concerning JOHN and his relationships with his wife. JOHN was criticized for not treating his wife better and helping out more with the house and the children. The whole discussion would indicate that JOHN's wife is possibly very lazy and is making a good thing out of women's liberation.

ANGIE mentioned that she has not quit her job as yet and indicated that when she does, she wants to go on unemployment.

DAVID SHEN mentioned that BILL EPTON is out of PL and had been contacted by the RU.

During the meeting a numbered paper prepared by a comrade from Oregon on the formation of a RU national party was passed out to be read and discussed at the next meeting. The initial reaction to this paper was quite negative and in connection with the formation of a national party, the Central Committee is supposed to be working on a paper on this subject.

CARLA HEFFNER

The photograph of CARLA HEFFNER appearing on her California driver's license was viewed and this individual is identical to the CARLA who was STEVE HAMILTON's girlfriend, previously mentioned.

GEORGE LYNDEN

GEORGE LYNDEN is not personally known and no new information has been received concerning NANCY LYNDEN or her twin sister, SUE STEIN, since last reported on. It is recalled that at some time during the past year, at a RU picnic or party, the LYNDEN girls mother was present.

The Yippies

No mention has been made in the San Jose area that the RU intends to relate to the Yippies. Inasmuch as the Yippies are basically anarchists and have no political line, it would be hard to conceive of the RU attempting to relate to them.

The Local Exec report was discussed. The Local
Exec members are to make an overview of what has been
accomplished during the summer. This is to be submitted
to the Central Committee. The Executive also must present
ideas to the Central Committee for fall and winter programs.

DAVID SHEN gave a report on the General Motors
auto strike. BARRY GREENBERG found fault with the Black
Panther Party(BPP) caucus at General Motors. The unionaat
GM had plamed students and communists for the disturbances
at that plant. BARRY said that DAVE should get the caucus
to put out a rebuttal in their newspaper, "The Focus".
The collective decided that this would be wrong, because
it would be telling the caucus what to do and might do
more harm than good. The Collective is to tell the Local
Exec of its disagreement on this particular point.

LARRY GOFF gave a work report. GOFF left the
impression with the Collective that the RU is advancing
satisfactority at FMC. GOFF intimated that the RU had
been responsible for work stoppage at this plant. The
collective liked this.

According to HILL, he was the man who pulled the ambulance driver out of the ambulance at General Motors last week during the strike disturbance. He also said that he was the one who beat up this ambulance driver. He was showing those present the cuts on his hands from this activity.

JIM RANSOM and PERRY HARTLINE are in the Street Collective in San Jose. The impression given by these two is that there are very few in this collective.

DAVE SHEN is a member of the Black Panther Party caucus at GM, according to MARLENE. There are no whites in this caucus; there are two Asians and the rest are blacks.

[redacted] of the San Jose Revolutionary Union (RU), San Jose, met on September 10, 1970 at 6:00 p.m. at Blazer Way, DAVID SHEN chaired the meeting. Those present were:

FOIA b 7 - D

JOHN KINCAID, code name IRVING, said that he felt that he would be more useful in the Community Collective. The majority [redacted] disagreed. They wanted him to give a complete work report next week, showing what he was doing with his time, finances, etc.

There was a work report from DAVID SHEN, which lasted about 1 hour and 50 minutes and very little of consequence was contained in the report. The Collective criticized it and said that there was nothing to it. LARRY GOFF said that there was nothing in SHEN's report to show SHEN's love for the people that he was working with and there is nothing to show how SHEN was serving the people's needs. GOFF then related, however, he tried to relate to the people he worked with. He stated that he felt like a "mother hen toward his fellow employees" as he tried to lead them down the right road. The Collective approved of GOFF's comments.

The newspaper "Maverick" was discussed. GOFF was the only one present at the meeting who had prepared a written criticism of the "Maverick". MARY LOU GREENBERG asked why no one else had one prepared.

A paper entitled "Forging a Fighting Revolutionary Organization" was handed out. The members are to read this paper and prepare a criticism which will be aired at the next Collective meeting and then sent on to the Political Committee for action.

ANGIE KALVALAGE's work situation was discussed. The collective decided that she is to quit her job in order to give more time to look for new work. She is suppose to try and obtain employment at the Telephone Company.

MARY LOU GREENBERG chaired the meeting. Others

The auto strike was discussed. SHEN gave a report
and passed out circulars which are being passed out by the
union and the Black Panther Party (BPP) Caucus at General
Motors. He also passed out the BPP newspaper, "Free You".

SHEN and GREENBERG argued for three hours on
what part the RU should play in the strike. GREENBERG
made the comment that the BPP Caucus at GM was siding with
the imperialists without realizing it. SHEN countered by
saying that GREENBERG was racist. Neither gave ground.
The Local Exec decided that the RU would offer assistance
in any way to the caucus, if they requested it.

[redacted]
FOIA b 7 - D

There was a discussion concerning the youth
collectives. There is one collective in the RU at San
Jose which is made up of members of the street collective,
persons attending San Jose City College, and the high schools
This collective is chaired by DAN O'NEAL.

[redacted]
FOIA b (7) - D

SEPTEMBER 28, 1970
SAN FRANCISCO, CALIFORNIA

The other youth collective is made up from students at San Jose State College.

MATT is a member of O'NEAL's collective and is at San Jose City College.

Two members from the youth collective are transferring to the two workers collective - one to each. GOFF and SAIBEL, the chairmen of the workers collectives, are to meet and decide who will take which member. The persons transferring have already been decided on and GOFF and SAIBEL are to know who they are at a later date and will meet with these two individuals.

The RU is more interested in the factory than in the campuses. It wants to get as many people in the factories as possible and because of this, it is moving those with clean records out of the youth collective so that they won't get busted on the campuses during disturbances and can obtain jobs.

One of the main projects of the RU, San Jose, youth collectives this fall will be to form a youth proletariat (working class) anti-imperialist organization which the RU can recruit members from.

At the last Workers Collective No. 2 meeting, VERNON got in a discussion concerning womens liberation. One of the girls in this collective meeting came without any underclothes and was also wearing a see-through blouse. VERNON said that womens liberation was getting out of hand, evidently pointing out this female as an example. Then last Tuesday night, JOHN TREUR went over to the BLACKS to visit. VERNON made VONDA wait on him hand and food. At one point VONDA got mad, and made the comment, "What's wrong with you? Is your arm broken?" JOHN left. After he left, VERNON got drunk. VERNON threatened to burn the house down because womens liberation had gone to VONDA's head. So, as a result, VONDA has said she is quitting the RU to see if this is what is causing friction between her and VERNON.

There was an hour and a half discussion concerning who would [redacted] as requested in the Local Exec report. The Collective is to make a recommendation to the Local Exec.

DARRELL said there was no doubt in his mind that the perfect person for this position is GEORGE (LARRY GOFF). JOHN KINCAID agreed. DAVID SHEN objected vehemently. He said that it was absurd and crazy and stated that he should [redacted]. ANGIE KALVALAGE backed SHEN.

RON GRACIA was undecided. DARRELL said that SHEN would be good [redacted], but that he could not contribute anything new. He went on to say that GEORGE has a lot of unique ideas [redacted].

GOFF did not say anything up to this point. The Collective then asked him what he thought. GOFF said it didn't make any difference [redacted] as long as the one who gets there will bring nearer a revolution of the proletariat. GOFF said he thought SHEN would do all right, but he, GOFF, was more concerned about having someone there who would lead the people to a revolution and an overthrow of the capitalistic state.

GRACIA said that he had made up his mind and wanted GOFF [REDACTED].

SHEN was speechless.

GOFF suggested that the vote be taken to the Local Exec for final decision.

JOHN KINCAID gave a work report -- it was brief. He is now a steward in the store where he is employed. He will be staying in the Workers Collective.

There was also a discussion concerning the Santa Clara County Workers Committee work team. ANGIE is the Collective representative on the work team. The first political decision meeting of the work team will be held on September 20, 1970 at Miller School.

The next meeting of the Collective will be at JOHN KINCAID's on Thursday, September 24, 1970.

The meeting was chaired by MARY LOU GREENBERG and there were [] present:

FOIA b 7 - D

DAVID SHEN gave a report on the GM auto strike. A work team has been set up and they have met with BARRY and two people from Palo Alto. There has been a problem in working with KENNY, who is chairman of the Black Panther Party caucus of General Motors. KENNY is a Black Panther. He does not like to include others in his plans and does not tell everything that he knows.

The work team is trying to get enough people at Ford in order to have a sympathy walk out. In the meantime, the RU will be passing out leaflets at both General Motors and Ford.

RU is trying to get the names and addresses of workers that are on strike for future contact. DAVE said that the union had to deny the burning of the garbage truck at GM so that they would not be served with an injunction.

PL has asked the union if they could talk to the workers on the picket lines and the union said no. PL said that they would call out anyway. The BPP prepared a goon squad to be ready for PL, but PL never showed up.

DAN O'NEAL gave a report on what the students had accomplished during the summer. There are three people at San Jose City College that will work there this fall. They

The Street Collective and the Student Collective are to have a meeting this week to formulate Fall plans and to decide who is to be in which collective because the Street Collective is to be discontinued since most of its members will be going back to school.

BARRY has a new Flight King .12 Gauge pump shotgun and one box of .00 buck magnum. MARY LOU GREENBERG said that the RU gave the GREENBERGs the money to buy the gun.

The following matters were discussed:

(1) A report on Safety, which dealt with the safe handling of guns.

(2) CHRIS MENCHINE prepared a paper on the gun laws for distribution to RU members and this paper was read and discussed. It dealt with matters such as what would be a legal gun to have in an automobile.

(3) The various collectives reported on the guns in the possession of members, indicating that there are 15 M-1 carbines, three or four 30.06 rifles, 3 shotguns, four 9mm Browning Semi-automatic pistols, and a couple of other handguns.

(4) There was a discussion as to just how the classes were to be set up, whether they would be held in connection with the regular collective meetings or with the schedule for a separate time. No overall policy was adopted.

(5) LARRY SNYDER did not give any report, indicating that he had attended the San Jose Gun Show the previous week. However, some RU people are going to attend the gun show at Lodi. Specifically mentioned were LARRY SNYDER, CHRIS MENCHINE and DAVID SHEN.

FOIA(b) (7) - (D)

All the regular members were present, including JOHN KINKAID, and a new girl by the name of NANCY. She lives with LARRY CASQUEIRO. The following matters were discussed:

The Executive Committee notes were read and gone over point by point. (see last 2 pages of this memo)

[redacted] FOIA b 7 - D

(1) The Maverick. JOHN KINKAID is to sum up the Maverick work and may join the Maverick Collective. The Maverick Collective was formerly known as the Community Collective. It was mentioned during this discussion that the new member, MIKE, is in the Street Collective but was supposed to go to the Workers Collective.

(2) There followed a long discussion of the BPP caucus at General Motors. DAVID SHEN was kicked out of the caucus personally by KENNY HORSTEN. The RU will continue to pass out GM leaflets in the community.

(3) RON GRACIA, the Collective treasurer, collected the dues. A couple of people are behind in their dues for this month.

(4) There was a discussion of the formation of Affinity groups in preparation for further coming demonstration. Each member of an affinity group is to have a helmet, jacket and tear gas protection and the various groups are being set up to perform such activities, as taking pictures, communications, first aide and diversion. ANGIE KALVELAGE is to be the leader of the Workers Collective group.

(5) DARRELL GROVER made a report on the study of weapons in the Collective and the decision to hold a regular training class. GROVER suggested that the Workers ~~Committee~~ COLLECTIVE class be held for half an hour in connection with the regular collective meeting.

(6) NANCY, the new girl, gave a report on her activities. It appears that she flunked out of college and was formerly in the RU Street Collective where most of her activities were spent hanging around pool halls. NANCY is supposed to get a job and will try to get a job in the phone company or a hospital, these being the major areas of concentration for RU women. During her report NANCY mentioned that she is Jewish.

In connection with the discussion of the affinity groups, ANGIE mentioned that at the Los Siete demonstration in San Jose some Weatherman people were present with herself and CHRIS MENCHINE. She specifically mentioned JOE BLUM as being among those present.

LOCAL EXEC MEETING, 10/3

1. A good report on the Maverick was given by the chairman of the Maverick work team. The report centered around three basic things the Maverick needs: (1) Money; (2) Research on San Jose; and (3) Stories about the people of San Jose.

As for finances, the report suggested getting an advertising manager for the paper. It was pointed out that selling papers will remain the most important way for the Maverick to support itself--not selling ads. While distribution has improved and several comrades have distinguished themselves for the numbers of papers they have sold, not enough people take this job seriously. More initiative must be taken for selling at plants by members of the Local Exec, especially. It's clear that when we sell the Maverick consistently and enthusiastically, people buy them. People at one plant who sneered at Maverick salespeople several months ago are buying the paper now.

The recommendations, which the LE agreed should be implemented are: a) An advertising manager should be appointed; b) Research on San Jose should be begun (this will be taken up in the Community Collective and in the San Jose Liberation Front); c) We should plan how to build the United Front in San Jose; d) the people on the Local Exec should be in the vanguard of those displaying energy and enthusiasm for the Maverick; e) the people on the work team should be "up" on what's happening in the news--collective discussions of current events should be considered.

It was pointed out that to develop a plan for building the United Front in San Jose, we need to scientifically sum up our work and analyze conditions much more thoroughly than we have so far. The Local Exec will be attempting to do this in the weeks to come, beginning with a discussion in two weeks, based on the paper "Becoming A National Organization." Before then, collectives should discuss the paper, concentrating on ways to implement that paper's recommendations. Based on these discussions and the summing up of our work in San Jose so far, the Local Exec will try to come up with a set of priorities for the coming months.

The advisability and feasibility of a full-time staff for the Maverick will be discussed in light of these priorities.

2. An informative report on "Street Work in San Jose" was discussed briefly. It was a good summing up of work that has gone there so far. The comrades appear to be progressing correctly--proceeding from an investigation of the needs of the people and building towards some kind of revolutionary street gang. Progress is being made in finding some young Chicanos to assist in organizing on 1st Street.

One criticism of the report--some BAD security errors were made. Comrades, in writing reports, do NOT use names. We must always ask ourselves, "What would happen if this report got into the hands of the pigs?"

3. The latest events of the GM strike were discussed briefly. Regarding the recommendations made in the Local Exec last week, (1) Assistance was offered the Black Panther Caucus in passing out their leaflets. The Caucus felt that any outside help would only make things worse. (2) An article for Focus was written on the union, the students, and red-baiting, but was not accepted by the BPC chairman, since he had said "no" to the idea previously. (3) The articles on the strike are being written for the Maverick.

The GM work team met and affirmed the importance of working with the caucus as much as possible. We must do the things we're going to do (pass out leaflets, plan rallies, etc.) and learn how to struggle with the caucus in a non-antagonistic manner over political principles. The work team is going to try and carry out the decision of the P.C. to meet and work closely with rank-and-file strikers--to develop ties with militant strikers which will last beyond the strike.

Another person will be added to the work team to assist in coordinating community activities around the trike.

4. Reports on on-the-job organizing of women due Oct. 30.
September dues due now--Oct. dues due at end of month. Pay now!

Local exec. notes were passed out by Mary Lou Greenburg, and read by everyone silently. The first topic discussed, was a talk that Marlene Charyn had had with Vernon Black, which was that Vernon thought that it was senseless to study theory when he couldn't see that it had helped all the Intellectuals very much. He criticized the R.U. in the way they handled their Collective meetings, such as talking about non-serious matters for long periods of time and not really getting anything done. Barry Greenburg then stated that Vernon Black was wrong, and had an individualistic attitude, and had been that way since he came into the R.U., and had not done anything to help the organization, but in fact at times had hindered it, and his speaking in that way was a danger to the R.U. and new recruits. He brought up the example of Larry Goff, who has had a positive attitude and an understanding of the working class as well as Intellectuals, and had done more work and moved up to leadership positions faster than anyone in such a short time. There was some disagreement that Marlene thought Barry was trying to put her down and say that she agreed with Vernon, but Barry said that he was not, that he just felt very strongly about this situation and expressed himself that way.

The next topic was about a choice for Political Secretary. Lou Carol O'Neill said that she thought it should be someone that knew the Red Book well, and knew a lot of the Quotes that would apply to each meeting. Betty Goff disagreed, and said that it should be someone fairly new, that could be given an incentive to study rather than turn it over to someone that already had that practice. The purpose of this person would be to bring quotes from the Red Book into the meetings, that apply to the topic being discussed. Everyone agreed with Betty Goff, but no choice could be made at this time, because this was the last meeting of the [redacted] of the R.U. It will be called the [redacted] from now on, and will have a few new members from other collectives, and lose some of the ones it now has.

FOIA(b) (7) - (D)

It has been decided that Barry and Mary Lou Greenburg will no longer belong to a collective, because of their many administrative duties, and increased traveling due to the fact that the R.U. is becoming, or is a National Organization now. Mary Lou will attend the first meeting of the Maverick Coll. and one every so often, as she is Coordinator for San Jose area.

The next topic was about Finances. All members are to bring lists to their next meeting giving general details about their budget, income, and expenditures. This is to find out how well people are putting their money to work, and see if some comrades couldn't be helping out others who don't have as much. The treasurer will keep these lists, which will not have anyone's name on them. Betty Goff is the treasurer of this Coll.

The next topic was Lou Carol's Work Report. She gave a brief history of her background, about half working class and half Petty Bourgeois.

She summed up her strengths and weaknesses, and these were commented on by everyone in the Coll. Her husband Danny O'Neill is a radical, but not in the R.U., ~~xxxxxx~~ People have tried to persuade him to join, namely Perry Hartline, Barry and Mary Lou Greenburg, but up until now, he has rejected anything to do with it, and wants Lou Carol to quit the R.U. ~~xxx~~^{It} was decided that this was her biggest problem and kept her from growing as a Communist. So Barry and Mary Lou are to try to talk to him again, and if this does not help, she must make the choice of leaving the R.U. or Danny.

Next, the agenda was set up for the next meeting, which will be the first of the Maverick Coll.

Barry Greenburg stated during this meeting that the Students had told him that they had a contact with someone very, very, close to the pigs that had been giving information to the R.U. about the movements and plans of the Pigs. Barry said in fact, "The Pigs have been infiltrated!!" He said that they had been told by this person that the pigs will crack down hard on the R.U. between now and election time. Everyone was encouraged to be very security minded. Every house must be armed, but not more than 6 weapons in each, and that if pigs came to the door with a warrant, to let them in, but ~~guard~~^{guard} then with weapons, but if they busted in, to defend yourself!!

Betty Goff was chosen to be a temporary representative to meet with a group to discuss Affinity Groups. This will meet Tuesday night, 10-20-70, place and time to be told her later.

Next meeting of the Maverick Coll. 10:30 A.M. 10-26-70, 1437 Cliffwood Dr. San Jose. ~~xxxxxx~~

Ajourned at 1:30 P.M.

[redacted]

The first topic discussed was Marlen Charyns report on the Maverick Collective.

The report was critized because it did not show the political reason for starting a Maverick Collective. It was decided that Barry Greenbugg and Marlene would re-write the paper.

Next;-- A paper on a "Work Report Outline" was written by Danny O'neal and David Shen, and presented at this time. Discussion was that it was not clear enough and lacked political view. It was decided that they should re-do it.

Next;-- Choosing of a member for the Political Committee. Recomendations were Bob Saibel Larry Goff, and Chris Menshing. Larry Goff was wanted above the others, but the L.E. decided that he should spend more time with his family, and that he already had many tasks to perform. Bob Saibel couldn't do it because he worked sometimes seven days a week, and you must have time to devote to this task. So Chris Menshing was chosen to be on the Political Committee.

Next; Discussion of whether or not to continue the Santa Clara County Workers Committee. ~~Next~~ This also included deciding the fate of the Political Education meeting, as they were actually part of the Workers Committee. It was decided to discontinue these meetings, until some better method of working with the public was thought of.

Next;-- [redacted] meeting will be at Perry Hartlines house on the corner of Santa Clara At. and 24th St., on Firday night 10-30-70 ~~6:00~~ 6:00 P.M. There will only be one thing on the agenda, which will be the revised Maverick Collective Rep ort.

Meeting ajourned at 12 midnight.

First thing discyssed was the Local Exec. notes. From this discussion, Ron Gracia was chosen as the Political Education Director, as the L.E. notes had instructed each Collective to chose one. His responsibility is to apply Mao Te Tung quotations to the agenda of each meeting. It was also decided that Larry would spend 2 hours with Ron Gracia the following week, the reason being that he was isolated from the organization, and some one should spend some time with him.

Next:-- Ron Gracia finished the work report that he had started the previous week. It was decided that Ron should move out of the apartment that he shares with Peter Stenrud by the 1st of Nov. It was felt that his political was being hindered by Peter Stenrud.

Next:--The collective decided that [redacted] should definaly go to the [redacted] Collective. Because of [redacted] he will not ever be able to work in a factory,

Next:-- Darrell Grover finished his work report that was started the previous week. It was summed up that he should make his central task, recruiting new members to the R.U. at his plant, or place of work. Also that he should assume more leadership in the organization.

Next:-- 30 minute Proficiency report by Darrell Grover. Finished studying gun laws local, state, and federal.

Next:-- It was decided that everyone had to make out a budget, or complete financial picture of their monthly income, and turn it in to the treasurer at the next meeting. Treasurer is Ron Gracia.

The next meeting will be at Angie Cavalodges, Blazer Way S.J., Cal. 8:30 A.M. 10-31-70

On 10-24-70, a Skating party was held by the R.U. at the skating rink on the corner of Race St. and The Alameda, at 1:00 to 4:00 P.M.

There were about ¹²~~10~~ R.U. members present, but they brought many friends, non- R.U. with them, mostly children from their neighborhoods, so there were approx. ³⁰~~25~~ people in all.

R.U. members present:

FOIA b 7 - D

Jody Forester brought two friends, Tom Polister (WMA 20 years old, long black curly hair, 6 ft. tall, 150 lbs.) and a girl named Sharon (WFA 18 years old, long blondish hair, very straight, 5' 4" tall, 115 lbs.) . Jody said that she would probably be recruiting her into the R.U. in a couple of weeks. Tom Polister talked of what is known as the 5th St. Massacre, and his conflicts with the "Pigs".

FOIA(b)(7) - (D)

Present were: [redacted]

[redacted] Order of
business was:

(1) The Executive Committee notes were passed out, a copy attached, and were discussed point by point.

(2) DARRELL GROVER continued his work report and in general it was well received. DAVID SHEN said that GROVER's main push should be in recruiting RU members at his plant.

(3) RON GRACIA (FRED) continued his work discussion. He was directed to move to a new residence by 11/1/70 and it was indicated that he may move in with new people who do not have much money. Apparently RON is going to get stuck with the rent.

(4) The last item discussed was that portion of the Executive Committee notes concerning Finances, and it was directed that everyone by next meeting should prepare a report of their income and their expenditures. This is being done so that the organization can determine whether or not the membership are using their finances in their supplement revolutionary manner and the revolutionary revenue service will make proper recommendations.

FOIA(b)(7) - D

Also at the meeting a mimeographed "Summary of CC Meeting" was passed out and will be the subject matter of further discussion. A copy is furnished.

RU Collective
Seaside, California

It has been mentioned by many RU people that the GI Coffee House in Seaside is run by the RU. However, the RU people are not very well liked by other MDM people working in Seaside.

RU Education

"Peking Review" is distributed every week to RU members free of charge by the chairman of the individual collectives. However, in general discussion in San Jose with RU members it does not appear that very many of them read "Peking Review." They just throw it away.

It is not known whether the RU as an organization has a subscription to "Peking Review." However, it has been stated that the RU in each area has a person who can get material at China Books and Periodicals on credit and at a discount price, somewhere in the neighborhood of 50%.

Up until the past month or so, RU education has leaned about 50-50 in the reading of the works of MARX and LENIN and MAO, but now there is an increased emphasis on the works of MAO, which is emphasized by the fact that quotations from MAO are supposed to preface discussion of individual items in RU Collective meetings. In this latter connection, each RU Collective now has a Political Education

Director (RON GRACIA for the [FOIA b 7 - D], who is charged with getting the agenda for the collective meeting and finding a quote from MAO for each item on the agenda.

CRAIG SHUBERT

CRAIG SHUBERT is unknown and has not been mentioned as a member of the RU in San Jose.

The Revolutionary Union (RU) [redacted] held a meeting at 145 North King Road, San Jose, California, October 17, 1970 from 8:00 a.m. to Twelve Noon.

MARY LOU GREENBERG chaired the meeting. Others present were:

[redacted]
FOIA b 7 - D

First discussed was the RU's becoming a national organization. This lead into a discussion on how the RU could proletarianize, that is how to get more workers in the outfit. This was tied in with the RU Fall program, which has the following goals:

- 1.) To scientifically sum up RU work in the line of Marxist Leninism.
- 2.) To increase RU understanding of Marxism and Leninism thought in each collective. During the collective meeting quotes from the Red Book will be read.
- 3.) Involving members more deeply in mass work.
 - a. In plant organizing.
 - b. The "Maverick" -- there will be no more Community Collective as it is now the Maverick Collective. Mike Fox will be in the Maverick Collective, but will be assigned to organizing of the high schools along with Paul Sansom.
 - c. Working class united front organizations. It was noted that the workers work team, this is the group concerned with the Santa Clara County Workers Committee, will probably be discontinued.

OCTOBER 10, 1970

BARRY GREENBERG then spoke. He said that the RU had come under attack by the FBI. He said that "all this s---" is going to come down both now and at election time. He noted that if you listen to NIXON and AGNEW and are aware of the new legislation being passed by Congress, you could surmise that this is an attack against the united front. Because of this and also because FBI Agents "busted" into Richmond recently and into the files of the "People Get Ready", which were ransacked completely last week and also because the RU is being exposed in the news media, the RU should prepare for an attack.

GREENBERG said that RU members should do three things and that it would be up to the local exec to carry these out to the collectives:

- 1.) Get rid of all dope in all the houses.
- 2.) Get rid of any weapons that go over the number needed to constitute an arsonal and hide these extra weapons.
- 3.) That all RU documents that are out of date and are not being used, ought to be destroyed. He stated they will have to assume that the pigs don't have this information.

GREENBERG said that if an RU member's house is attacked, if they come to the door with a warrant for arrest of persons inside, let the officers in, but RU members should have guns in their hands. GREENBERG said that this will keep the officers from ransacking the house. GREENBERG went on to say that if officers try to bust into the place without knocking or without a warrant, shoot them, do not hesitate.

agreed to this plan of action.

BARRY GREENBERG lead the discussion and others present were [REDACTED]

[REDACTED] LUCY was late because DAN, her husband, did not get home in time for LUCY to use the car. It seems that DAN had taken a man to Marin County to stand trial and the jury did not come back with a verdict. LUCY made the comment that if this person was found guilty, DAN might help him get away. LUCY and DAN work on the Soledad Committee.

The study group discussed Chapter 11 of the Red Book entitled "Mass Line". The discussion centered around the defense of mass line. The term means to emerge connections in the masses and given special leadership to the masses raising their political consciences in such a way as not to give an impression that you are a leader or commander. The masses must act because they see a need and one must not give an impression of being a leader. It is a suitable indoctrination of the masses to communism.

Revolutionary Union [redacted]

[redacted] on
November 19, 1970 at the

FOIA(b) (7) - (D)

Present were [redacted]

FOIA b 7 - D

The whole meeting was taken up by discussion of the two (2) military papers, which are referred to as Paper A, the paper written by BRUCE FRANKLIN, and Paper B, the paper authored by BOB AVAKIAN. There was unanimous support for AVAKIAN's paper and unanimous opposition to the paper of FRANKLIN, which was characterized as adventurous.

At the beginning of the discussion, DAVID SHEN and DAVID STOVER were somewhat sympathetic to the FRANKLIN paper, but by the time the discussion had drawn to a close, they had swung around to opposition to FRANKLIN.

During this meeting, LARRY GOFF mentioned that a couple of people in the Community Collective, including his wife, don't want to go along with the revolution.

The general tone of the discussion on military affairs was that the masses are not yet ready for this kind of action and that any such violent action would only lead to the destruction of the RU as an organization.

The only other matter discussed was how to continue this discussion in the next meeting.

There was also a paper passed out which was picked up before the meeting ended dealing with quotes from Red Papers, which requested PU members to refrain from discussing their own viewpoints with outsiders concerning armed struggle and requesting them to stick to the Red Papers statements which actually supports armed struggle. The reason for this is probably to prevent outsiders from determining that there

is conflict within the RU over this issue. Also passed out at this meeting was a throw away prepared by the San Jose Liberation Front dealing with Peoples Career Day at San Jose State (copy furnished).

The discussion was based upon the first two articles in MAO's "Selected Military Writings". During the meeting, DAVID SHEN indicated that he and MARLENE CHARYN had called a news conference at their home to denounce the dastardly attack of the pigs and to express their support for Los Siete. DAVID explained that someone, probably the pigs, had thrown a rock through their window right through a Los Siete poster, which was hanging in the window. DAVID didn't say if anyone showed up at the news conference.

DAVID SHEN led a rather aimless discussion of male chauvinism. Consistently, all meetings held by DAVID SHEN are rather aimless since he permits anyone to say anything they want. Two new military papers were passed out and discussion of these two papers is to be continued at the collective meeting on November 27, 1970.

NANCY BOROVVOY mentioned that she and LARRY, her boy friend, are living just a couple of doors away from BARRY and MARY LOU GREENBERG and said that Governments agents are staking out BARRY's place.

LAURA COLLINS

A photograph of LAURA COLLINS appearing on California driver's license S774658 is identical to the girl, code name MILLIE, who worked at PDM.

RANDY BERGMAN

RANDY BERGMAN has not been seen since she returned from the second Venceremos Brigade; however, some time ago, and the exact time is not recalled, YVONNE BOND said that she saw RANDY around town and RANDY said she is living in San Francisco but that her address is secret. RANDY said that she can be reached through someone, however, it will take a couple of days.

JOHN SCOTT HARRISON
SARAH LOUISE HARRISON

Photographs of JOHN SCOTT HARRISON and SARAH LOUISE HARRISON were observed and these individuals are not known.

Revolutionary Union Venceremos
Brigade Collective

MARK HARRIS was one of the leaders who organized an RU collective out of the first Venceremos Brigade and arranged for RU people to go on the third brigade. It is believed that most of this activity took place in the ~~Richmond, California~~ **EAST BAY** area.

[redacted] Meeting, 11/13/70, At the Home of LARRY and BETTY GOFF

FOIA(b) (7) - (D)

Present were: [redacted]

WOODIE is approximately 5'8", in his early 20's, and has a thin build. He has short dark hair, wears glasses and has no beard or mustache and lives on Poco Way.

The following was discussed:

(1) The Executive notes for 11/6/70 were passed out and discussed.

(2) The main part of the discussion was concerning the military papers which were passed out at this meeting which are to be discussed at the next couple of Collective meetings. Discussion centered on how these two all important papers are to be handled in the Collective. One of these papers is in favor of armed revolutionary struggle now and the other is against it. The authorship of the papers is not known. However, the pro-arm struggle now, according to the anti-paper, was written by someone from out of the Bay area and by a Bay area member, possibly BRUCE FRANKLIN. The anti-arm struggle now paper appears to be the work of LARRY HARRIS and LEIBEL BERGMAN. However, the authorship is not specifically known. Copies of these papers are furnished.

(3) There then followed a discussion of LARRY GOFF's work and GOFF reported that political work at FMC is impossible so he is going to look for other work, possibly at GM or Owens-Illinois. LARRY said that the two guys that had been in his caucus at FMC had quit because he had raised their

political consciousness to the point where they realized that they were getting screwed by the bosses so they quit and are looking for work elsewhere.

(4) There was a brief discussion on recruiting but no names or details were mentioned.

Also passed out at this meeting was a paper, a copy of which is furnished, "Guidelines for Reports in Factory and Working Class Work," which is to be used in preparing work reports by RU members for transmittal to the Central Committee.

DAVID SHEN

On 11/17/70, DAVID SHEN mentioned that he has a contact, a businessman type, at gun shows who can get hand grenades. SHEN named no one in particular and gave no further details. It does not appear that DAVID SHEN has any handgrenades readily available as he did not volunteer to furnish anything that he had stored away and mentioned the above contact as the possible source and did not elaborate on any other sources.

YVONNE BOND & GILBERTO ROMERO

On 11/15/70, YVONNE BOND and GILBERTO ROMERO said that they had spent the previous day with CHRIS MENCHINE and ANGIE KALVELAGE talking politics. At that time CHRIS said that two RU people had been busted the previous week in San Francisco. He named one as DAN CAHN but did not specifically know the other individual.

"ALBANIAN REPORT"

There has been no indication that "Albanian Report" is being passed out in the San Jose RU and no mention has been made that it is being utilized by the RU in any classes.

San Jose Maverick

The Maverick is definitely an RU paper now in that it is dominated by RU members. Although their Tuesday night Maverick meetings include outsiders, there is one person from each RU collective in San Jose at these meetings. JOHN KINKAID was also mentioned as an individual that will be working directly with the Maverick Collective and the Community Collective has dissolved and is now actually a Maverick Collective.

The local exec notes were handed out and discussed. The main topic discussed were the notes concerning the NIXON demonstration. The general feeling of the collective was that the demonstration was a very good one. All members present, except GOFF, said that the working people that have been interviewed by members of the collective concerning the demonstration had stated that they (the working people) wished that they had also been there to throw a brick at NIXON.

LARRY said that 99 per cent of the people that he talked to at FMC thought that the demonstration was a very immoral act and that they were against it.

A new member was introduced, WOODY, code name JIM. WOODY is from Akron, Ohio. He helped to organize demonstrations on a campus in Akron and also strikes at plants in that area. WOODY also acted as a draft counselor in the Akron area. He is described as a white male, 5'4", 140 pounds, 20 years old, dark hair, medium build, wears round-rimmed glasses. WOODY is unemployed at the present time.

WOODY, PAUL SAMPSON, and RON GRACIA will be living together in the same apartment.

WOODY is presently classified by the Selective Service System as 1A-0. He has submitted an application

[REDACTED] FOIA b 7 - D

NOVEMBER 7, 1970
SAN FRANCISCO, CALIFORNIA

to get his classification changed to 1-0. WOODY wants his classification changed because he has had four buddies that were classified 1A-0 and they are all dead in Vietnam.

However, WOODY's mission for the RU may be to go into the Army to organize. Until WOODY goes into the Army, he will try to obtain employment in a local hospital as he has had experience in this kind of work.

GOFF gave an update on FMC. GOFF said that he had been labeled a trouble maker and instigator at this company and that he will have to play it cool for a while.

The collective wanted to discuss DAVE and MARLENE's problems. GOFF cooled this discussion and stated that it was not on the agenda. GOFF and KALVALAGE had an argument about this and GOFF put her down.

The Revolutionary Union (RU) FOIA b 7 - D
San Jose, California, held a meeting on November 6, 1970

The meeting was chaired by MARY LOU GREENBERG.
Those present were:

FOIA b 7 - D

The RU security report was handed out and discussed
thoroughly and deletions were made. Other comments made during
the meeting were as follows:

MARY LOU GREENBERG said that there are thousands
of confidential records at her house and there is no place
to put them because they are constantly in use. She seemed
to be quite nervous about the fact that they were there.

MARLENE CHARYN said that all the illegal equipment
that was in her house is not there any longer and has been
put in a good friend's and neighbor's home. (SHEN and
CHARYN are good friends with a Mexican family that lives
next door or a couple of doors away from their residence).
MARLENE described the equipment as being useless in
self-defense.

The next meeting of FOIA b 7 - D will be very
secretive and all security precautions will be taken.
The radio will be played loud, voices must be kept very
low, people will huddle close together when talking because
the discussion will concern illegal and underground
activity. This meeting will be Monday night, 6:00 p.m. at
DAVID SHEN's.

There were also approximately twelve (12) RU people from Palo Alto present.

The people listed above were in front of the Fairmont Hotel at about 11:30 a.m. There were between 800 and 1,000 people in this group.

This group started to go around behind the Fairmont toward the bottom of the hill. Someone had said this is where KY was going to speak. JANE FRANKLIN was attempting to lead this group; however, there were many other people also trying to lead and there was a lot of confusion.

This group of demonstrators got about half way down the hill attempting to join a larger group of people already at the bottom. As the small group got about half way down the hill, the police charged into the larger group at the

The small group returned to the top of the hill back in front of the Fairmont.

At this point several people thought that the small group should go around the block the other way and come up behind the Tact Squad. So they started around, got to the bottom of the hill and began to block traffic. Among those blocking traffic at this point were

At this point, MELODY and PERRY HARTLINE were observed filling their pockets with large pieces of broken brick obtained from a nearby construction site. MARY LOU GREENBERG pointed out the construction site and said, "There is the people's armory".

Several members from the Tact Squad came down the hill, cleared the area, and several were ripped off at this point.

Someone then suggested that people go back around the block the long way to the front of the Fairmont. Among those making this move were

FOIA b 7 - D

The RU military paper was discussed.

BRUCE FRANKLIN has revised his paper on this subject, and it was presented at this meeting. BOB AVAKIAN has written a rebuttal and this also was discussed.

Everyone at the [redacted] meeting disagreed with FRANKLIN's paper. The theory behind FRANKLIN's paper is that military work in the RU should be put first and political work second. This paper is based on the philosophy of Cuban guerrilla warfare. AVAKIAN's rebuttal is based on applying political work with the masses and raising political consciousness and military action would be secondary. In other words, politics would rule the gun. AVAKIAN's paper agrees with the present RU line.

The Local Exec wants the collectives to study both the papers and by doing so, it will help them to become better Marxist-Leninists. The Local Exec believes that the San Jose collectives will follow AVAKIAN's line. BARRY GREENBERG made the statement that over 100 people in the Peninsula area and most of the people in Palo Alto would follow AVAKIAN's line of thought.

After the meeting, DAVID SHEN made the comment that two (2) FBI Agents had tried to talk to him last

The Revolutionary Union (RU) [redacted] held a meeting in San Jose, California, on November 30, 1970. The meeting started at 9:00 a.m. at BOB SAIBEL's residence on Poco Way in San Jose, California. MARY LOU GREENBERG chaired the meeting. Others present were:

[redacted]
FOIA b 7 - D

First on the agenda was the announcement that CHRIS MENCHINE had received his induction notice. He thinks that he will be going into the U.S. Army in ten (10) days. The consensus was that he would go to Vietnam and organize there.

Next on the agenda was LARRY GOFF. BARRY GREENBERG said that he felt demoralized because GOFF was out of town for a week and didn't let anyone know about it. He said that GOFF was needed at that time for the military discussions. GOFF explained why he was not in San Jose, that he had had family problems in Lemoore and had spent Thanksgiving with his family there. Everyone seemed to be satisfied with this explanation.

Next, CHRIS MENCHINE gave a male chauvinist report on how he was a "male chauvinist" with ANGIE KALVALAGE and he criticized himself for this action.

Next on the agenda was MARLENE CHARYN. BARRY and MARY LOU GREENBERG brought charges against her stating that MARLENE is creating factionalism within the organization. MARLENE had made up a paper which she charged that the leaders of the RU were fools and were monopolizing the group and not considering the membership. She Xeroxed these papers and passed them out to the membership.

NOVEMBER 30, 1970

After the charges were brought, the meeting adjourned at about 1:30 p.m. and then resumed at 3:00 p.m. at DAVID SHEN's and MARLENE CHARYN's, 145 North King Road. The same people were present with MARY LOU GREENBERG chairing.

It was a continuation of the discussion concerning MARLENE. The final decision was that MARLENE was to be expelled from the RU and this was a unanimous decision of the Local Exec. It seemed by her actions that MARLENE wanted to be expelled from the RU.

MARLENE had aligned herself earlier with BRUCE FRANKLIN and his paper on military strategy and one reason that she was attacking the leadership of the RU was because of this alignment. The evidence against her was presented before her and she admitted to it.

MARLENE wanted to stay in the organization and just be suspended for a time, but she said that if she did stay in she would still continue to tell people about her point of view. This was ridiculous.

FOIA b 7 - D

It was emphasized that she was expelled for factionalism and not for her alignment with FRANKLIN. The meeting adjourned at 7:30 p.m.

. This was a very brief meeting and only discussion was that on the expulsion of MARLENE CHARYN by the Local Exec. DAVID SHEN had attacked the Local Exec for expelling MARLENE, indicating that this was not an exercise of democratic centralism and he produced a previous RU paper which did reflect that the Local Exec had acted beyond its scope.

After this discussion lasting a half hour or so, the whole collective then repaired to the home of PERRY and MELODY HARTLINE at San Carlos and 19th. They live in a big old house set apart and almost on the corner. This was in connection with a meeting of representatives of the Palo Alto RU and the San Jose RU to discuss the two military papers. Palo Alto was represented by BRUCE FRANKLIN, JANE FRANKLIN, JOHN RANSOM, younger brother of JIM RANSOM, and four other youngsters, all approximately 21 years of age, none of whom are personally known, nor were they named at the meeting. One was a female and there were about twenty (20) people from San Jose, including the above-mentioned members of the [redacted] and the following:

JODY (last name unknown), who is a very tall girl, approximately six feet

All of the San Jose people, with the exception of MIKE FOX and DAVID SHEN, who did not say very much, were very strongly opposed to FRANKLIN's paper. JODY was particularly outspoken against BRUCE and had very good arguments, and JIM RANSOM was very good in putting down the Palo Alto group. DARRELL GROVER attacked the Palo Alto position as being very bourgeois and it is believed he probably went a little overboard in his criticism.

BRUCE FRANKLIN came on very strong in accusing the San Jose and East Bay leadership as being revisionists and he mentioned by name BOB AVAKIAN, BARRY and MARY LOU GREENBERG, and by inference, LARRY HARRIS and LEIBEL BERGMAN. JANE FRANKLIN attacked LARRY HARRIS, although she did not specifically mention his name, as a backward influence in the RU for a long time.

BRUCE FRANKLIN has a very romanticized view of the world and he was very strong in his contention that the blacks are actually a nation and that armed struggle or urban guerrilla warfare is actually taking place in the United States today.

In connection with BRUCE's arguments on the necessity of forming a revolutionary people's army, JIM RANSOM came down hard on FRANKLIN and JANE FRANKLIN immediately jumped to BRUCE's defense and said that such an army actually exists today and said that ROXANNE DUNBAR, a comrade from the South, is actually relating to a black army. During the discussion, JANE FRANKLIN also mentioned the RU Sunnyvale Collective and specifically mentioned that three (3) of its members are former students who are now workers.

On the whole, one could say that no one went away from the meeting changed in any way on their respective positions but each side did strengthen their own views. The meeting was chaired by JOHN RANSOM. BRUCE and JANE FRANKLIN took up about 90 per cent of the time during discussion and BRUCE FRANKLIN criticized BARRY and MARY LOU GREENBERG for not showing up at this meeting.

DECEMBER 9, 1970
SAN FRANCISCO, CALIFORNIA

It is evident from BRUCE's conversation that he appears to want to go beyond his written papers in making the RU a highly militarily organized organization.

at KY DEMONSTRATION
Incidentally, JIM RANSOM offered to drive his younger brother home and JOHN, very seriously, declined the ride and said that he was staying down here to engage in urban guerrilla warfare, which brought a big laugh from the San Jose group but was taken seriously by the Palo Alto group. The Palo Alto group considered the KY demonstration in San Francisco as an example of guerrilla warfare and were very pleased and proud of their part in the demonstration.

In addition, MARY LOU GREENBERG was present. Passed out were the Local Executive Committee notes for November 30, 1970, November 20, 1970, and a special session on December 4, 1970. The first thing discussed was the woman question, which was item number two on the Local Exec notes of November 20, and everyone in the collective agreed to relate more closely to the woman question.

The next item discussed was the military question, during which MARY LOU said that it had been decided by the Political Committee that the big shots in the RU, and she used that terminology, are to stay in the background on the debate on the military question and are not to get personally involved in the debates with individual collectives. In other words, according to MARY LOU, the collectives are to come to a decision on the military question on their own. Incidental to this discussion, there was considerable gossip

FOIA b 7 - D

about some of the crazy telephone calls that [REDACTED] has been making about military operations calling people up and requesting their immediate help on the military operation. It was brought out that at one point she had called BETTY GOFF and told BETTY to leave the kids, get her gun, and join [REDACTED] in a military venture. All in all, the discussion merely re-emphasized the position of the collective which is in favor of paper A, the AVAKIAN paper, and opposed to the FRANKLIN paper - paper B.

During the collective meeting, it was mentioned that WILLIAM HINTON had met with RU people in Palo Alto during the last week. No mention was made of him being in the RU or the reason for his meeting with the Palo Alto people.

MIKE FOX

The other occupants at the Blazer Way address have commented that MIKE FOX has been staying in Palo Alto and has only been around Blazer Way once in about five days. FOX is so much in agreement with the BRUCE FRANKLIN paper that he doesn't even talk to the San Jose group. The photograph appearing on the driver's license issued to MIKE FOX is a good likeness of him.

There were a total of 15 present and the topic of discussion was the military papers A and B. It was a constructive discussion and there was no vindictiveness. The good points and the bad points of each paper were brought out and no definite conclusions were reached. The idea was that a final decision would be made in the next Central Committee meeting.

Most of those present favored Paper B. Two individuals from Palo Alto favored Paper A. Some of the faces there were familiar, however, no names available. Many of those present were present at the last Central Committee meeting. The discussion lasted from 10:30 a.m. to 1:00 p.m.

On December 8, 1970 at approximately 6:30 p.m., DAVID SHEN was arrested at his residence by officers of the San Jose, California, Police Department. After SHEN was taken to jail, MARLENE CHARYN followed him in her car. Her intentions were to get DAVE out of jail. She drove down the jail ramp the wrong way and was arrested. The officers searched her purse and found drugs in the possession of CHARYN so she was also charged with possession of dangerous drugs.

The Revolutionary Union (RU) was alerted to the possibility of mass arrests. Necessary precautions were taken by members.

LARRY GOFF proceeded to the jail and bailed SHEN out with money he received from the RU, a total of \$375.

WOODY said in conversations during the day that on Sunday night, Palo Alto had put out the word that there was to be an arrest in their area. He said that some RU members in the Bay Area went to Palo Alto with guns and cruised around the area, but nothing happened.

It was also noted in conversations with various people that RU standard operating procedure (SOP) will now be that if there is an arrest of an RU member, the RU will respond in force with guns.

On Friday morning, December 4, 1970 at 9:30 a.m., WILLIAM HINTON met with members of the Revolutionary Union (RU) at BRUCE FRANKLIN's residence, Palo Alto, California. There were 40 to 50 persons present from all parts of the Bay Area. HINTON's speech concerned the Chinese revolution and its relation to the revolution in the United States. The conclusion reached by HINTON was that the type of revolution that took place in China would not work in the United States. The speech lasted for an hour and after that, there was a question and answer period and questions concerning military papers A and B were asked.

In the discussion that followed, the Palo Alto people said that the RU ought to organize in the factories and elsewhere around the gun, in support of the black struggle; that is to say, "political power grows out of the end of a gun".

The San Jose RU disagreed. They emphasized that you must look at what the people's needs are at present, and move from there. To organize around the gun is "left wing adventurism". It was pointed out that it takes a long time to bring about a revolution.

Palo Alto seems to be standing alone.

HINTON supported Paper B, as well as most of San Jose.

The Revolutionary Union (RU) FOIA b 7 - D San Jose, held a meeting Friday, December 4, 1970 at 7:00 p.m. at the GREENBERG residence in San Jose, California. MARY LOU GREENBERG chaired the meeting. Others present were:

FOIA b 7 - D

The main issue was a further discussion concerning the expulsion of MARLENE CHARYN. This discussion was brought about because of a paper that DAVID SHEN had concerning the procedures of expelling a member of the RU.

This paper had pointed out that at least the Central Committee would have to make a decision to suspend a member. If this is so, the local exec decision would be invalid. The local exec decided to determine if SHEN's paper had been accepted as policy by the RU and, in the meantime, MARLENE would be suspended instead of expelled.

If the paper is correct and is RU policy, then MARLENE's case will have to be decided by a higher body. The members of the RU, in the meantime, are to have as little contact with MARLENE as possible and not engage in any political discussions with her.

Also noted in the meeting in reference to the struggle and concerning military papers A & B was the fact that Political Committee (PC) members should not engage in this struggle at this time and that the struggle for the time being should be left to the rank and file members; that is, the "cadre".

They discussed the new paper by the local exec in connection with the suspension of MARLENE CHARYN. People in this collective agreed with the local exec's action, which was to have no contact with MARLENE or discuss political matters with her until her suspension or expulsion was decided.

MARY LOU was present at this meeting in order to answer questions directed toward the Political Committee, which were first raised by MARLENE in her writings attacking the leadership. The led into a discussion and an explanation by MARY LOU GREENBERG.

Concerning the background of BRUCE FRANKLIN's military paper A, ANGIE KALVALAGE asked about this and MARY LOU answered that in the past the Political Committee thought that the Revolutionary Union (RU) needed a military strategy, and FRANKLIN volunteered to put his ideas on paper to give the RU a starting point in formulating this strategy. A member from the Northwest RU helped FRANKLIN on this paper. From this point a number of people disliked FRANKLIN's ideas which led into this present struggle.

There was a discussion concerning local financing of the RU. A summation of this was that the collective agreed to get their dues in on time and to live as frugally as possible in order to raise more money for the organization.

Male chauvinism was discussed and it was decided that each male member in the Collective should write a self-criticism of male chauvinism and bring a report at the upcoming collective meeting.

Split in the RU

The following information concerning the split in the Revolutionary Union (RU) was obtained on the evenings of [FOIA b 7 - D] from MARLENE CHARYN, DAVID SHEN, ANGIE KALVALAGE, and CHRIS MENCHINE:

Some time over the weekend, a definite split occurred in the RU, basically over the military question. Those following the FRANKLIN paper, Paper A, in favor of armed struggle now, are the Palo Alto, Sunnyvale, Redwood City, and South San Francisco Collectives, along with the northwest and New Orleans Collectives. A number of people from San Jose, Santa Cruz, and Seaside along with the majority of the San Francisco Collectives are in between in that they do not fully agree with either position.

In San Jose, the following individuals have split and are following the FRANKLIN position:

DAVID SHEN
WOODY STOVER
JEFF BROWNING
VERNON BLACK
MIKE GAYLOR
MIKE FOX
MARLENE CHARYN
VONDA BLACK

VONDA, incidentally, has been out of the RU for the past six (6) months, but has now come back in on the FRANKLIN side in spite of the fact that she is a Jehovah's Witness.

It was mentioned that Richmond and the East Bay Collectives firmly support the AVAKIAN stand, or Paper B. The San Francisco Group, although split on their decision, have definitely voiced opposition to the factionalism displayed by the Palo Alto Collective, and it appears that the San Francisco Collectives in general are in favor of CHRIS MILTON's contention that there is too much democratic centralism in the organization.

There has been nothing clear, as yet, from collectives back East; however, BRUCE FRANKLIN left over the weekend on a trip to the Eastern collectives to rally support for his position.

DECEMBER 18, 1970
SAN FRANCISCO, CALIFORNIA

In general, the people in the Palo Alto Collectives have been pretty well insulated from any discussion on the military question outside of their own collectives since the same group from Palo Alto always appears at discussions with other collectives outside that area.

On Monday night, December 14, 1970, ANGIE KALVALAGE quoted RUSTY KEILCH as saying Palo Alto has been organizing around the gun in the Palo Alto telephone company for a long time.

There appears to be quite a lot of personal antagonism between the San Jose drop-outs and those who have remained in the RU.

The RU Political Committee (PC) has decided to encourage the drop-outs to continue to attend collective meetings and to attend PC meetings, but will, for the time being, allow them to do their own thing.

It is the general opinion of the PC that BRUCE FRANKLIN will eventually expose himself as crazy and the other people will then return to the fold.

On Monday evening, December 14, 1970, ANGIE KALVALAGE displayed some papers on the military position. Two in particular are recalled -- one from the Palo Alto collective in which they just reiterated their previously expressed positions and the other paper from ROXANNE DUNBAR, in which she expressed her support for the FRANKLIN position. In this paper, ROXANNE characterized herself as a nationally known leader in the movement whose membership in the RU was questionable, however, she stated that she would continue to recruit members for the RU. The whole tone of her paper was conceited.

A copy of DAVID SHEN's paper criticizing the expulsion of MARLENE CHARYN was passed out and is attached and a discussion of MARLENE's expulsion was continued. See FD 306 dated 12-16-70.

There followed a continuing discussion on the military question and nothing new was added to previous discussions. LARRY GOFF, along with the majority of the collective, appear to be solely in favor of Paper B. It was noticed, however, neither DAVID SHEN nor WOODY STOVER argued their position, which is in favor of the FRANKLIN position, Paper A, and were pretty quiet throughout the entire meeting.

JODY FORRESTER

A photograph of JODY FORRESTER, Monterey County Sheriff's Office No. 70 5153, was observed and this individual was identified as JODY (last name unknown), a member of the San Jose RU.

MARGARET DRIGGS and NGUYEN VAN LUY continue to reside at Tenth Avenue and California Streets and continue to be affiliated with the ACSWNLF. They are holding a dinner at the Buchanan Street YMCA on December 20, 1970 at which some Vietnam films on the capture of Dien Bien Phu will be shown. Apparently this is an open dinner.

Photographs reportedly of the U.S. citizens traveling to North Korea were observed and the following individuals personally known or identified:

JAN AUSTIN
PAT SUMI
ANDY TRUSKIER
ELDRIDGE CLEAVER

JAN AUSTIN is the third woman from the left in the big photograph of the press conference and PAT SUMI is the last woman to the right. ANDY TRUSKIER is the last one descending the plane steps wearing the MAO jacket.

was a period of discussion in order to try to convince these

NANCY BOROVOY took over the chair and handed out
the local exec notes. There was also a paper concerning
the RU split which was handed out. Then the notes were
discussed, which lead into a discussion concerning what to
do about those who had split from the organization, which in
turn lead to BETTY GOFF's relationship with LARRY since
LARRY left. BETTY was informed that she could not criticize
the leadership of the RU or any cadre to any non-RU person.
She was told it was her duty to uphold this. Discussion of
the RU and the new group was that they understand BETTY's
position, and for the time being, she can stay in the RU.

It was also noted that RON GRACIA will move in
with ANGIE KALVALAGE because RON is living with WOODY and
PAUL SAMPSON, who have split from the RU. For him to stay
there would not be a good arrangement.

FOIA b 7 - D

The main issue was a further discussion concerning
the expulsion of MARLENE CHARYN. This discussion was brought
about because of a paper that DAVID SHEN had concerning the
procedures of expelling a member of the RU.

This paper had pointed out that at least the
Central Committee would have to make a decision to suspend a
member. If this is so, the local exec decision would be
invalid. The local exec decided to determine if SHEN's
paper had been accepted as policy by the RU and, in the meantime,
MARLENE would be suspended instead of expelled.

If the paper is correct and is RU policy, then
MARLENE's case will have to be decided by a higher body.
The members of the RU, in the meantime, are to have as little
contact with MARLENE as possible and not engage in any political
discussions with her.

Also noted in the meeting in reference to the
struggle and concerning military papers A and B was the fact
that Political Committee (PC) members should not engage in
this struggle at this time and that the struggle for the
time being should be left to the rank and file members; that
is, the "cadre".

On December 21, 1970, a collective of those who have split from the Revolutionary Union (RU) met during the morning, 9:30 a.m. to Twelve Noon on December 21, 1970 at DEAN GRANHOLM's residence in San Jose. The meeting was chaired by VERNON BLACK. MIKE FOX was the co-chairman. Others present were:

Members of this group not present were

FOIA b 7 - D

According to VERNON BLACK, there will be about four (4) more individuals that will be members of this collective.

(Incidentally, VERNON BLACK is beginning to drive without a license).

There was a discussion concerning a report which had been passed out called "Report From A Workers Collective", which came down from Palo Alto. It was a report on the caucus in the telephone company in Palo Alto.

GOFF has left FMC and will devote his time repairing guns for members. This job must remain confidential outside of the organization. GOFF has a part-time employment now with Bill Jensen who owns a gun repair shop called "The Great Western Doctor of Guns". JENSEN is not involved in the RU and does not know about GOFF's connection with the RU. Also, GOFF will be working with MIKE GAYLOR on proficiency.

The proficiency will be handled in special meetings and not in the regular collective meetings.

MIKE FOX said that the Black Berets and BSU has

FOIA b 7 - D

DECEMBER 21, 1970

commended Paper A people for their split and it is possible that this new organization may merge with the Black Berets. Meanwhile, FOX said we should engage in activities such as painting signs "Free Bobby Seale" all over town.

DAVID SHEN has moved out from MARLENE's place and is now living with WOODY.

MIKE FOX said that he and PAUL SAMPSON went to BOB SAIBEL's house and asked to get a 16mm projector that belonged to them and SAIBEL said "Get F-----" and slammed the door. MIKE FOX said that PAUL went to a lot of trouble to rip that projector off and, therefore, we should get it back. The RU group also has ten (10) "pieces" -- guns, which they will have trouble getting back. If SAIBEL doesn't come across, the group plans to smash off and rip off everything in the SAIBEL apartment.

VERNON BLACK suggested that GOFF bring a tape recorder to the next meeting and tape it with the radio on to see if the radio is successful in jamming the tape.

FOIA b 7 - D

GAYLOR will be the leader of the organization at demonstrations. Everyone is to do whatever he says. The military actions will include actions to defend the Panthers. GAYLOR is also to decide how and when to off pigs, wreck cars, and other related activities. GOFF's job will be to help GAYLOR set up the standard operating procedure for defending the homes of members.

San Jose RU [REDACTED]

[REDACTED] Meeting December 18, 1970
at the home of LARRY and BETTY GOFF

FOIA(b) (7) - (D)

Present at the meeting were:

FOIA b 7 - D

Virtually the whole meeting was taken up with LARRY GOFF, WOODY, and DAVID SHEN explaining their positions as to why they were quitting the RU and going with the new organization and with attempts by the other members to persuade them to stay in the RU. LARRY GOFF and WOODY STOVER quit the RU and DAVID SHEN was kicked out by the Collective. SHEN indicated that while he sided with Paper A, he wanted to

FOIA b 7 - D

DECEMBER 23, 1970
SAN FRANCISCO, CALIFORNIA

stay around in the RU until the next Central Committee meeting. The other members couldn't accept this so DAVID was expelled.

During the discussion, LARRY GOFF mentioned the possibility of blowing up tanks at FMC where he works in order to create a rallying point for people at FMC. GOFF stated that prior efforts to organize a workers collective appeared unproductive and indicated this was one of his reasons for joining forces with the FRANKLIN Group.

All tolled, about twelve (12) people have left the RU from San Jose, including JOHN KINCAID, PAUL SAMPSON, WOODY STOVER, DAVID SHEN, MIKE FOX, VERNON and VONDA BLACK, MARLENE CHARYN and MIKE GAYLOR. Incidentally, MARLENE CHARYN kicked DAVE SHEN out of the house and he is now living with PAUL SAMPSON and WOODY.

Because SAMPSON and WOODY have split from the RU, RON GRACIA, who is staying in the organization, moved out and is now living with ANGIE KALVALAGE and CHRIS on Blazer Way.

During the discussions when LARRY GOFF was present, BETTY GOFF strongly backed her husband's position but when LARRY was not present, BETTY changed her tune and was against his position. Although she appears to be staying the RU, BETTY appears to have some strong differences with the RU.

The next collective meeting has been set for the evening of December 23, 1970. Incidentally, LU CAROL and BETTY are ~~not~~ members of the collective since the Maverick Collective has disbanded and they are the only two left in the RU.

FOIA b 7 - D

The split group from the RU is not using the name RU, but have not decided on another name yet. The RU article appearing in the current issue of "Free You" was authored by JANET WEISS, who was described by ANGIE as BRUCE FRANKLIN's

FOIA b 7 - D

DECEMBER 23, 1970
SAN FRANCISCO, CALIFORNIA

righthand man. The split group is talking in terms of setting up small groups of three to four people for militant action, particularly the San Jose people. Incidentally, this may be by necessity and not choice since most of the San Jose people who have split could probably not stand being with each other for any period of time.

JULIE ROEMER mentioned that she has made contact with an Indian girl, GEORGE LINE, a Morman who works at the same place as JULIE and who she described as quite militant and intrigued with having met a revolutionary group, however JULIE is somewhat frustrated in her relationship with this Indian girl since she can't get through to her that atheism and revolution go together and the girl remains a staunch Morman.

FOIA b 7 - D

BOB AVAKIAN and MARY LOU GREENBERG are back from their trip to the East and have reported that none of the Eastern Collectives have split from the RU. No specific mention was made of the identities of collectives which they visited.

All told with the RU, things still are pretty much in a state of flux and things will probably be disorganized for several weeks yet. It is presumed that the next big event will be a Central Committee meeting and that at least some of the people who have split will attempt to attend this meeting. ANGIE KALVALAGE mentioned that the Palo Alto people are collecting for a Central Committee meeting before the main one called by the RU, however, the warning has gone out that this is a bootleg Central Committee meeting and that people should not attend.

What action will be taken by the FRANKLIN group is questionable. It is believed that FRANKLIN will find

FOIA b 7 - D

DECEMBER 23, 1970
SAN FRANCISCO, CALIFORNIA

himself in the position where he has to take some kind of militant action soon in order to hold the people together and justify his split. The Palo Alto people are very pro-Black Panther Party (BPP). Even though FRANKLIN's theory of the blacks being oppressed colonies within the imperialist mother country is no longer the line being taken by the BPP, the latter has voiced its position on nationalism and no longer sees the blacks as colonists but rather as separate communities within the country. ANGIE KALVALAGE mentioned that the Palo Alto RU statement appearing in the "Free You" was a very weak and wishy-washy document.

Furnished are copies of two papers passed out at the collective meeting, one the Local Exec Notes of December 15, 1970, which were apparently written by BARRY GREENBERG and are almost ~~collected~~ ^{SL 893/6} MAOIST documents in style and content. The other is a "Report From the Political Committee to All Cadre; Unite to Carry Thru the Ideological Struggle in the RU", and which is self-explanatory.

The mid-peninsula paper referred to in this document was not widely circulated in the San Jose area and the only existent copy is so dog-eared that it cannot be duplicated.

GILBERTO ROMERO

ROMERO is still living with YVONNE BOND. He is going through some rehabilitation sponsored by the Poverty Program which is similar to AA. GILBERTO has a drinking problem. On December 19, 1970, YVONNE BOND mentioned that the brother of REIS TIJERINO, a Chicano leader in New Mexico, is in the Bay Area ~~and is staying at YVONNE's place~~. He is here to organize in an effort to get support to get REIS out of jail, since there does not appear to be much support for this in New Mexico. He plans on gaining support here following which they will return to New Mexico and attempt to build up support there.

[FOIA b 7 - D]

They discussed the new paper by the local exec in connection with the suspension of MARLENE CHARYN. People in this collective agreed with the local exec's action, which was to have no contact with MARLENE or discuss political matters with her until her suspension or expulsion was decided.

MARY LOU was present at this meeting in order to answer questions directed toward the Political Committee, which were first raised by MARLENE in her writings attacking the leadership. The led into a discussion and an explanation by MARY LOU GREENBERG.

Concerning the background of BRUCE FRANKLIN's military paper A, ANGIE KALVALAGE asked about this and MARY LOU answered that in the past the Political Committee thought that the Revolutionary Union (RU) needed a military strategy, and FRANKLIN volunteered to put his ideas on paper to give the RU a starting point in formulating this strategy. A member from the Northwest RU helped FRANKLIN on this paper. From this point a number of people disliked FRANKLIN's ideas which led into this present struggle.

There was a discussion concerning local financing of the RU. A summation of this was that the collective agreed to get their dues in on time and to live as frugally as possible in order to raise more money for the organization.

Male chauvinism was discussed and it was decided that each male member in the Collective should write a self-criticism of male chauvinism and bring a report at the upcoming collective meeting.

On December 21, 1970, a collective of those who have split from the Revolutionary Union (RU) met during the morning, 9:30 a.m. to Twelve Noon on December 21, 1970 at DEAN GRANHOLM's residence in San Jose. The meeting was chaired by VERNON BLACK. MIKE FOX was the co-chairman. Others present were:

Members of this group not present were

FOIA b (7) - (D)

According to VERNON BLACK, there will be about four (4) more individuals that will be members of this collective.

(Incidentally, VERNON BLACK is beginning to drive without a license).

There was a discussion concerning a report which had been passed out called "Report From A Workers Collective", which came down from Palo Alto. It was a report on the caucus in the telephone company in Palo Alto.

GOFF has left FMC and will devote his time repairing guns for members. This job must remain confidential outside of the organization. GOFF has a part-time employment now with Bill Jensen who owns a gun repair shop called "The Great Western Doctor of Guns". JENSEN is not involved in the RU and does not know about GOFF's connection with the RU. Also, GOFF will be working with MIKE GAYLOR on proficiency.

The proficiency will be handled in special meetings and not in the regular collective meetings.

MIKE FOX said that the Black Berets and BSU has

FOIA b (7) - (D)

DECEMBER 21, 1970

commended Paper A people for their split and it is possible that this new organization may merge with the Black Berets. Meanwhile, FOX said we should engage in activities such as painting signs "Free Bobby Seale" all over town.

DAVID SHEN has moved out from MARLENE's place and is now living with WOODY.

MIKE FOX said that he and PAUL SAMPSON went to BOB SAIBEL's house and asked to get a 16mm projector that belonged to them and SAIBEL said "Get F-----" and slammed the door. MIKE FOX said that PAUL went to a lot of trouble to rip that projector off and, therefore, we should get it back. The RU group also has ten (10) "pieces" -- guns, which they will have trouble getting back. If SAIBEL doesn't come across, the group plans to smash off and rip off everything in the SAIBEL apartment.

VERNON BLACK suggested that GOFF bring a tape recorder to the next meeting and tape it with the radio on to see if the radio is successful in jamming the tape.

FOIA b 7 - D

GAYLOR will be the leader of the organization at demonstrations. Everyone is to do whatever he says. The military actions will include actions to defend the Panthers. GAYLOR is also to decide how and when to off pigs, wreck cars, and other related activities. GOFF's job will be to help GAYLOR set up the standard operating procedure for defending the homes of members.

There was a special meeting held on Christmas Eve in San Francisco at a house on 24th Street for the purpose of having representatives get together and discuss the differences that have arisen within the RU and to determine how to carry on the struggle.

FOIA b 7 - D

The location of the place was about two blocks up from the China Books and Periodicals on 24th Street and there were about twenty (20) present, including DOUG NORBERG, MIKE MILLER, DAVIDA FINEMAN, a person from Richmond known as MARK WEISS (phonetic), who is a tall thin person with dark bushy curly hair. He is not a hippie type. There were several individuals from Richmond, including a young man who reportedly is a carpenter and drives an old green Studebaker.

The meeting was chiefly comprised of a review of the local Exec Notes for December 22 and December 31, 1970, which are attached. They discussed attempting to find suitable people to go to Cuba with the Venceremos Brigade. ANGIE KALVALAGE and LUCY will attempt to organize unemployed people in the area and the RU will start to organize for a new newspaper, as the group that broke away from the RU will maintain the Maverick. This is set out in detail in the Executive Notes.

FOIA b 7 - D

JANUARY 11, 1971
SAN FRANCISCO, CALIFORNIA

They decided to reinstitute a study program and DARRELL GROVER will be in charge of this. RON GRACIA will be in charge of the proficiency program. He has recently bought a shotgun for himself and is now very interested in guns.

It was decided that both of the Workers Collectives in San Jose will merge and become one, however, they will not do so until this is passed by the Local Exec.

During this meeting, they mentioned that an emergency meeting of the Local Exec was held on the previous Sunday morning. The reason for this was because MIKE GAYLOR had evidently stolen a gun belonging to LARRY SNYDER and that MELODY HARTLINE also found that some guns were missing from her house. MELODY HARTLINE, together with her brother-in-law, DEAN HARTLINE, went over and got hold of MIKE GAYLOR and took him for a ride in an automobile and evidently had threatened him. It apparently was effective because MIKE GAYLOR admitted stealing the gun belonging to SNYDER and returned it. He denied any implication with the thefts of guns from the HARTLINE residence. The latter turned out that PERRY HARTLINE had been busted during that week, possibly on Saturday, January 2, 1971, and the police department had gone to his home and taken the guns that were in the closet. Following this incident, JANE FRANKLIN got involved in the situation and accused the HARTLINES of kidnapping MIKE GAYLOR and a meeting was called to resolve the situation.

AARON MANGANIELLO and VERNON BLACK from the "Venceremos" ~~Brigade~~ group evidently attended this emergency Local Exec to resolve any further misunderstandings or confrontations between the two elements of the RU. Incidentally, the new name for the individuals that split from the RU is referred to the "Venceremos." They have actually joined up with the Venceremos college group in which AARON MANGANIELLO is prominent. It was not clear why PERRY HARTLINE was arrested but it was mentioned that it had something to do with credit cards in his possession that did not bear his name.

It was mentioned at the collective meeting on January 5, 1971 that the weekend of January 9-10, 1971, there will be a Regional Committee meeting. NANCY BOROVOY and BETTY GOFF were designated as individuals in their collective to attend this weekend meeting. This particular meeting dragged on for several hours and for the most part was just gossip and no real discussions of the issues on hand were had.

LARRY GOFF and BETTY GOFF

LARRY GOFF is now working for a gunsmith and apparently lives on money that is sent him from his parents. BETTY GOFF sometimes indicates that her membership in the RU is something she became involved in and was not ready for. She indicates that she feels like she is in a trap and she does not appear genuinely sympathetic toward the RU.

JOHN HAYES

JOHN HAYES was in the Bay Area over the New Years holidays. He mentioned that he is now living in Northern New Mexico where he works on a farm. He indicated that he is not involved in politics in New Mexico. HAYES had met with YVONNE BOND and GILBERTO ROMERO, who are social acquaintances.

ROBBIE and SALLY

The above individuals were formerly friends of YVONNE BOND and living up the street from her in Oakland. They taught firearms for ILS, however, their last names were not known. The name SAL RAMPLE and ROBBIE RAMPLE were not familiar. The only mention of SALLY and ROBBIE made by YVONNE BOND was several months ago when she comments that they had both evidently quit ILS.

FOIA b 7 - D

First on the agenda was an announcement by LARRY GOFF. GOFF stated that he intended to leave the Venceremos and then align himself once again with the RU. He said that the reason he first left the RU was because BARRY and MARY LOU GREENBERG had had "no practice". It now looked like BARRY and MARY LOU are beginning to come around. In addition to this, BETTY GOFF has stayed in the RU and this had caused marital difficulties. GOFF wants to save his marriage so since there has been satisfactory changes within the RU, he wants to go back, which will also bring about keeping his marriage on an even keel.

[REDACTED]

[REDACTED] JEFF BROWNING had accused the KINCAIDS, GOFF, and WOODY as well as a couple of MIKE GAYLOR's associates of being FBI Agents.

So when GOFF reached this point in his announcement, he addressed BROWNING by saying, "By the way JEFF, I hear you think I am a pig Agent. I would like to know your reasons".

JEFF said that he didn't have any. It was just something that he felt. BROWNING went on to state that when it all comes out in the end, everyone would see that he, BROWNING, was right. He said that he had ways of finding out. GOFF said, "I don't care what you or anyone else thinks about me being a pig. I think my practice speaks for itself."

Also, before the meeting, VERNON had said that JEFF had been accusing everyone of being a pig and that he, BROWNING, would have to keep his mouth shut or get kicked out of the collective. VERNON also said that LARRY had thoroughly been checked out and that they had showed BROWNING proof that GOFF was well oriented but that BROWNING had not paid any attention to this.

During the collective meeting, no one paid any attention to BROWNING's comments concerning his accusations.

VERNON BLACK said that even though the GOFFs would be in the RU, they would be welcome in the BLACK home at any time.

It was at this point that GOFF left.

First on the agenda was a discussion of BETTY and LARRY GOFF. BETTY told [REDACTED] that she and LARRY had been having some terrible fights, mainly because of the fact that LARRY was over with the Venceremos and BETTY was with the RU. BETTY said it came down to one of three alternatives:

(1) That Larry would have to come back to the RU.

FOIA(b) (7) - (D)

(2) That Betty would have to go to the Venceremos.

(3) Both of them would have to quit everything.

BETTY went on to say that LARRY had made a confession and that he wants to come back to the RU. She went on to say that when he had left he thought he had good reasons, but realizes now he was not thinking too clearly. [REDACTED] discussed this and finally decided that if LARRY comes back to the RU, he could keep up his gunsmithing, but would have to do some other kind of mass work. He would also have to give a strong self-criticism and make everyone understand clearly what he has done and that he realizes his mistakes. It was also pointed out that he could not come back into the RU as a collective chairman.

[REDACTED]

FOIA(b) (7) - (D)

JANUARY 15, 1971
SAN FRANCISCO, CALIFORNIA

It was announced that there would be a demonstration on January 15, 1971 at 2:30 p.m. in front of the San Jose City Hall. From there they would walk to the police administration building. The plans were then to have a group go inside the building and have the police push them out; however, it was emphasized that this demonstration was to remain peaceful because it would be a first step in order to start a drive along the theme of the right to bear arms. They wanted it to be peaceful so that they can get more worker behind the movement. It was pointed out that LARRY CASQUIERO would be one of the leaders in this demonstration.

The demonstration is being organized in order to protest the confiscation and the holding of guns of RU members recently by the San Jose Police Department.

There was a discussion of the Street Collective work at San Jose City College. Leaders of the work there are JIM RANSOM and PERRY HARTLINE. Others working in this collective are KATHY DOLL, MELODY HARTLINE, and LINDA SAKATA. This group had tried to have a literature table at San Jose City College and also to show movies but had not been successful and all the projects at the college have failed up to this point.

The Street Collective was criticized highly by the Local Exec. It was pointed out that that collective must apply mass line. The Local Exec recommended that a study group be set up within the collective in order to study MAO's comments on mass line.

It was announced that CHRIS MENCHINE would be on the Regional Executive.

The draft situation of various members was discussed. RON GRACIA should postpone for two months his induction and then if he has matured enough, he can go into the military service. CHRIS MENCHINE should also try to get a postponement. JIM RANSOM should go into the Army.

The relations between the Venceremos and the RU was talked about briefly. RU will continue to try to cool the situation. Both will not allow themselves to be pushed around.

A meeting of the San Jose Revolutionary Union (RU) [redacted] was held on February 7, 1971, at 1925 Poco Wav. San Jose, California. In attendance were [redacted]

[redacted] The meeting was chaired by LAURA and lasted for approximately three hours.

The first item of discussion was on the paper, "The Central Task" and the primary and secondary tasks of each member were discussed. Of course, the primary task of each member is ~~to get a~~ job. The secondary task of the members will be such things as working on the new newspaper, selling the newspaper, and similar activity.

The next item was a work report by DARRELL GROVER, who reported on his efforts to radicalize workers in his plant. GROVER was criticized for not being active enough. However, he pointed out that he had brought various co-workers to demonstrations. It was recommended that GROVER attempt to bring some people from his plant to meetings of the newspaper and to RU educationals. GROVER also discussed his work with neighborhood young people, particularly blacks and browns, and it was recommended that he get together with KARL, who lives with NANCY BOROVY and LARRY CASQUIERO, working with Chicano kids, in order to arrange to have some of his neighborhood youth meet with KARL's group.

The last item discussed was the absolute necessity that all members of the collective sell the paper, "Salt of the Earth". The group was supposed to have an educational on MAO's "On Contradiction". However, they spent so much time discussing the above that they did not start the educational.

Inasmuch as no one brought in their financial reports, this has been deferred until the next meeting.

LARRY GOFF:

LARRY GOFF is understood to be in a state of limbo right now, not belonging to either the RU or to Venceremos, although he does have some contact with the Venceremos people.

San Francisco, California
February 7, 1971

His wife, BETTY GOFF, is basically opposed to Marxism-Leninism and she just does not appear to belong with the RU. However, she has received preferred and special treatment because she is a real member of the working class, and the RU, like most radical intellectual organizations, has developed a certain ritualism in their treatment of true workers.

GILBERTO ROMERO:

GILBERTO ROMERO is still on the wagon; however, he has been unable to get a job and is considering returning to New Mexico.

LARRY GOFF was asked to tell why he left the RU to join the other organization and why he wanted back in.

LARRY said that he left the RU because of bad judgment on his part. Among his reasons were that he had criticism of local RU leadership. GOFF emphasized that he did not change his political line and has always believed in the RU philosophy as laid out in the Red Papers. GOFF stated that he joined the other organization because he felt he would be more able to "practice" the RU line.

LARRY said that he left the other organization because of (1) family contradiction, and (2) he saw that the execution of practice would not be any different in the other group because mass line still had to be applied.

LARRY said he wanted back in the RU because he felt he had made some bad mistakes and he elaborated on this. He also criticized BARRY GREENBERG, pointed out where GREENBERG could improve and BARRY accepted this.

At this point the group agreed to accept LARRY back into the RU.

ANGIE KALVALAGE is employed, although it is a secret
as to where. It is a factory type job.

NANCY BOROVOY also has a job at the County Hospital.
LARRY CASQUIERO is now employed at Western Electric.

NANCY will eventually go to the workers collective.

CARL SCHACTER brought a work report. He talked
about his work at the East Side Teen Center. Most of the
young people who go to this center are from Piedmont High
Schools and are Chicanos and Blacks. SCHACTER said that a
couple of these were very interested in the revolution.

GOFF made the inquiry as to what SCHACTER's back-
ground was, who his family was and suggested he add this to
his report. SCHACTER replied that he had four younger brothers.
One of these brothers is in the RU at the Santa Barbara
collective. SCHACTER's mother and father are in Canada.
SCHACTER said that they believe in the revolution but they do
not want to become involved in it. SCHACTER said that all of
his brothers are involved or in the process of becoming involved.

Then SCHACTER led a discussion on dialectical
materialism. Four points of philosophical materialism were
discussed. However, this part of the meeting was quite
confusing.

FOIA b 7 - D

LINDA SAKATA is not going to go to Cuba. She has been taken off of the Venceremos Brigade. LINDA's future task for the RU will be decided at a later date.

PERRY and MELODY HARTLINE spoke. PERRY said that he is overworked and tired and is not well and he has too much to do. MELODY had the same complaints. The HARTLINES wanted those present to outline what the HARTLINES' task in the RU should be. PERRY's primary task will be the production of the paper. MELODY's primary task will be San Jose City College.

PERRY then gave a report. He said that he and CARL SCHACTER and LUCY O'NEILL recently went to San Francisco and met with Los Siete, MARIO MARTINEZ, and other RU representatives from other parts of the Bay Area. Los Siete is mainly concerned with San Jose because of the high percentage of Mexican-Americans in this city. Los Siete has another trial coming up so they want as much favorable publicity as possible. An RU Chicano will be coming down from the East Bay to San Jose to build up Los Siete publicity and to work at the East Side Teen Center.

The collective decided to disband the work detail on the Clacker Factory problem. The reason is that the workers are looking for other jobs.

LUCY O'NEILL brought a report concerning the JACKSON case, the escaped prisoner who was shot by the San Jose Police Department recently. LUCY said that people are responding and signing petitions, that at one point they had obtained 100 signatures in two hours. She estimated that in three weeks, they would have 2000 signatures. BARRY GREENBERG said in a kind of kidding manner that if the signatures do not work, "we'll just burn the pig station to the ground."

International Women's Day rallies were announced. On March 7, 1971, at Dolores Park, San Francisco, there will be a big rally. On March 8, at San Jose City College, San Jose, at 10:00 a.m., an illegal rally will be held led by MELODY HARTLINE and LINDA SAKATA. The local exec notes were read and this led to a discussion of RU finances. It was noted that members are to turn over their income tax refunds to the RU. A lot of people are not pleased with this particular edict.

A discussion of dialectical materialism which was led by CARL SCHACTER was held. It was pointed out in this discussion that DARWIN is the RU hero and that God does not exist.

There was a progress report concerning the Clacker Factory employment problem. The report was given by MELODY HARTLINE. It was noted that the people connected with the Clacker Factory are very unhappy with their situation. Some are talking about doing harm to the factory officials. BARRY GREENBERG said that "we should give these people some help on their illegal activities and should also provide them leadership. We'll call in some people from another area and get others from this area and take care of it in the next couple of days. We'll start it with picketing of the bosses' residences and make it look innocent."

There was a report from LUCY O'NEILL concerning the JACKSON shooting case. It was pointed out that there are petitions being passed out by ANGIE KALVALAGE on Blazer Way, BARRY GREENBERG in the Jeanne Avenue area, and another in the Tropicana area of San Jose.

The proficiency report was given by LINDA SAKATA. Everyone received a 100 yard range target and instructions on how to sight a carbine. Each person is to shoot five rounds in a standing position, mark his target, fire five rounds in the prone position, mark the target, and then fire five rounds in the kneeling position. Targets are to be turned in, initialed, by the shooter by the end of the month.

LARRY GOFF was chosen as proficiency leader for the collective. LINDA SAKATA will help him.

The treasurer will be MELODY HARTLINE. Political education leader will be KARL SHACTER. Physical fitness leader will be LARRY GOFF. The security representative will be LUCY O'NEILL, and LARRY CASQUIERO will stay on the local executive.

Women's Liberation Rally
Dolores Park
San Francisco
March 7, 1971

At the rally, DAVIDA FINEMAN advised that she is now working on the "Wild Cat" and is not very active in Palestinian liberation, which is now being handled by other people. DAVIDA pointed out some San Francisco Venceremos people but did not mention their names. She made no mention of MARTIN NICOLAS.

BOB AVAKIAN said that LARRY HARRIS had moved back east because of his kids, his former wife having taken the kids back east.

JONATHAN ZATKIN said that he has quit Yellow Cab and indicated he is living in the Haight. STEVE HAMILTON said he is still working at the steel company and as usual seemed very unenthusiastic about everything.

JOHN SAARI was at the rally but there was no opportunity to meet.

Many people at the demonstration indicated that they had been at the HUEY NEWTON birthday celebration in Oakland and characterized it as a miserable failure. Apparently there was a lot of ideological bickering and some overtones of racism, with people walking out, particularly when almost all of the blacks walked out when a white rock group performed.

YVONNE BOND and GILBERTO ROMERO were at the rally and both indicated they are now going to school.

1. The multi-national question, which was not very conclusive and nothing startling developed.

2. Discussion of the primary tasks of each of the collective members, which discussion will be continued at the next meeting.

3. The dues for March were collected and everyone appeared to be paying.

The last item was a completion of the discussion on "On Contradiction", and beginning with the next meeting the education portion, which will be conducted by DARRELL GROVER, will start using the official Revolutionary Union outline which was previously passed out.

During the meeting, it was brought out that BARRY and MARY LOU GREENBERG are putting in a lot of work now, getting out into the neighborhood and selling the newspaper. BARRY and MARY LOU will be selling papers outside of Clement, the plant where DARRELL GROVER works.

It was also mentioned that LARRY GOFF is back in the Revolutionary Union. After the split, he went with Venceremos.

The California driver's license of ROBERT LOUIS TEMPLE, N136788, was viewed and the individual whose photo appears on the driver's license could be identical with the young fellow BOB, who resided with DAVIDA FINEMAN at 427 Mississippi. The build would be about right and the long sideburns are particularly characteristic.

ANGIE KALVALAGE is employed, although it is a secret
as to where. It is a factory type job.

NANCY BOROVOY also has a job at the County Hospital.
LARRY CASQUIERO is now employed at Western Electric.

NANCY will eventually go to the workers collective.

CARL SCHACTER brought a work report. He talked
about his work at the East Side Teen Center. Most of the
young people who go to this center are from Piedmont High
Schools and are Chicanos and Blacks. SCHACTER said that a
couple of these were very interested in the revolution.

GOFF made the inquiry as to what SCHACTER's back-
ground was, who his family was and suggested he add this to
his report. SCHACTER replied that he had four younger brothers.
One of these brothers is in the RU at the Santa Barbara
collective. SCHACTER's mother and father are in Canada.
SCHACTER said that they believe in the revolution but they do
not want to become involved in it. SCHACTER said that all of
his brothers are involved or in the process of becoming involved.

Then SCHACTER led a discussion on dialectical
materialism. Four points of philosophical materialism were
discussed. However, this part of the meeting was quite
confusing.

FOIA b 7 - D

San Francisco, California
February 26, 1971

LINDA SAKATA is not going to go to Cuba. She has been taken off of the Venceremos Brigade. LINDA's future task for the RU will be decided at a later date.

PERRY and MELODY HARTLINE spoke. PERRY said that he is overworked and tired and is not well and he has too much to do. MELODY had the same complaints. The HARTLINES wanted those present to outline what the HARTLINES' task in the RU should be. PERRY's primary task will be the production of the paper. MELODY's primary task will be San Jose City College.

PERRY then gave a report. He said that he and CARL SCHACTER and LUCY O'NEILL recently went to San Francisco and met with Los Siete, MARIO MARTINEZ, and other RU representatives from other parts of the Bay Area. Los Siete is mainly concerned with San Jose because of the high percentage of Mexican-Americans in this city. Los Siete has another trial coming up so they want as much favorable publicity as possible. An RU Chicano will be coming down from the East Bay to San Jose to build up Los Siete publicity and to work at the East Side Teen Center.

The collective decided to disband the work detail on the Clacker Factory problem. The reason is that the workers are looking for other jobs.

LUCY O'NEILL brought a report concerning the JACKSON case, the escaped prisoner who was shot by the San Jose Police Department recently. LUCY said that people are responding and signing petitions, that at one point they had obtained 100 signatures in two hours. She estimated that in three weeks, they would have 2000 signatures. BARRY GREENBERG said in a kind of kidding manner that if the signatures do not work, "we'll just burn the pig station to the ground."

International Women's Day rallies were announced. On March 7, 1971, at Dolores Park, San Francisco, there will be a big rally. On March 8, at San Jose City College, San Jose, at 10:00 a.m., an illegal rally will be held led by MELODY HARTLINE and LINDA SAKATA. Then on March 8 at 12:00 noon, a rally will be held in the park across the street from the telephone company in San Jose. All of these rallies will be advertised through leafletting, posters, etc.

LEO GOMEZ spoke first. He stated, "I came from the Los Angeles Chicano movement. I was the head of the Chicano group at University of California at Berkeley, and have been an RU member for 2-1/2 months. I have come to San Jose to help in the Los Siete to raise support among the Chicanos."

GOMEZ is living in San Jose with NANCY BOROVVOY, LARRY CASQUIERO, CARL SCHACHTER on Jeanne Avenue. He is described as a Mexican-American male, 5'9" tall, 180 pounds, stocky build, approximately 25-27 years of age. He is very dark complected and has black hair. He is clean shaven and usually wears a black stocking hat.

The San Jose City College work report written by CARL SCHACHTER was passed out and then there was a long discussion. It could be summed up as follows:

The reason things have not gone well at San Jose City College is due to the lack of experience and not being able to apply Communism to the people.

Recently it was noted that last week at San Jose City College, people went around to classes to build support for the International Women's Day illegal rally, which is to be held on Monday, March 8, 1971, at the college. The reception was good.

MELODY HARTLINE was kicked off the campus for trying to form this illegal rally.

KATHY DOLL wrote a leaflet advertising the fact that MELDOY had been barred from the campus. During the circulation of the leaflets, the administration sent out a letter to the faculty telling them not to allow people in class for the purpose of advertising the rally or MELODY HARTLINE's banishment.

Then KATHY DOLL wrote up a petition and took it to the faculty lounge and got over 30 signatures from teachers who were appalled that the administration would dictate as to who would or would not be allowed to speak in their classes.

This led to a discussion of the tactics for Monday's rally. MELODY HARTLINE will go to the campus to speak. During her message, she will challenge the administration to come and throw her off the campus. There will be several people there to defend her if the pigs come in. They will do so by crowding around her. In order to get to the rally, MELODY will slip on the campus very early in the morning or after the crowd gathers. She possibly will have on a long wig and another coat which someone else will be carrying to disguise herself either before or after her speech. MELODY said that the wig drastically changes her appearance. After she speaks at the rally at City College, she is to get downtown to speak at the rally there.

Other tactics will be used if there is trouble but they were not discussed at the meeting.

There was a proficiency report by LARRY GOFF. People asked why the targets had not been completed. BARRY GREENBERG said that they would have to do with proficiency as they do with the dues. They are going to have to go and see people to make sure they give weapons, ammunition and targets. He said that the proficiency groups need a strong ideological struggle because they are not taking their job seriously. It is up to LARRY and LINDA to take the bull by the horns and straighten out the proficiency program. BARRY said, "If we believe that political power grows out of the end of a gun, we need to practice this."

Dues were discussed. MELODY is supposed to go around to the members and collect dues before the next meeting.

BARRY GREENBERG made the comment that the regional exec had decided that if North Vietnam was invaded by U.S. troops, there would be heavy demonstrations at San Jose State College and San Jose City College and also at open Army terminals. The mission would be to close the campuses. He said that the RU had already printed up leaflets in the event the invasion occurred and that tactics had been set.

First was a study group led by CARL SCHACHTER
concerning dialectical materialism.

KATHY DOLL gave a work report, stating that her
father is a judge in San Jose, giving other particulars
concerning her family. She also said that her main strength
is that she is not afraid to fight anybody. She then criticized
herself for commandism and eliteism.

There was then a City College progress report. It
was pointed out that everyone has been thrown off the campus
and strong measures are to be taken by the RU to start a
collective such as the Revolutionary Action Movement (RAM)
group on the campus.

PERRY HARTLINE said that there was going to be a
meeting the next night which would be a special meeting of
the people from City College to decide what to do about the
administration kicking people off of the campus. BARRY said
that things like this should not be talked about in the
collective meeting and that PERRY should hand pick the people
he wants at this meeting and that there should be a meeting
later on to discuss it.

LEO GOMEZ gave some history concerning his life and
how he started in the RU. He stated that his strength is that
he is able to organize, that his weakness is that people put
too much on him. He cannot handle it all.

There was then a discussion concerning BETTY GOFF's
situation and her sick mother in Lamore and the collective
agreed that she should stay in Lamore to take care of her mother.

Agents Tell Plotting by U.S. Maoists

Associated Press

Washington

Two undercover agents for the FBI testified yesterday that they infiltrated a Maoist revolutionary group that planned a rock-throwing demonstration against President Nixon in San Jose.

Mr. and Mrs. Lawrence L. Goff of Lemoore, Kings county, told the House internal security committee that members of the Revolutionary Union were responsible for the incident a week before the 1970 elections.

The President was not injured but his car was hit by debris after a speech in San Jose auditorium.

The Goffs said that members of their group had been told to pile rocks and to carry wrenches for self-defense and to foment a demonstration aimed at embarrassing Mr. Nixon.

CLASS

Mrs. Goff, a red-haired mother of four, said the RU wanted to give the working class the impression they should "hate the President" and that members were organized into brigades to encourage the rock throwing.

The couple said they reported to the FBI on RU activities for more than a year and one-half until they were suspected in April after the arrest of their leader, Barry Greenberg.

Asked by Representative Richard H. Ichord if he was certain RU was involved in the incident, Goff said, "I

would say they were the main organizers of it."

He said several members were arrested and that he and his wife did not take part in the demonstration or in the direct planning activity.

Goff told reporters after the hearing he reported all he knew about the incident to the FBI. He refused to say how he made his reports to the FBI during his period as an informant.

Testimony from the Goffs marked the first time the internal security committee has heard from members of RU as it continues its probe of the influence of radical group on the military.

Trying to infiltrate the army was one of the aims of RU, but the Goffs said the group also tried to take over unions and to solicit recruits from production firms as part of its ultimate goal of overthrowing the government.

Under the RU code, he said members pledged to work for the violent overthrow of the state, took weapons training, attempted to foment demonstrations and tried to infiltrate the Army and labor unions.

Goff said suspended Stanford professor H. Bruce Franklin, one of the founders of the RU, boasted in the fall of 1970 that 75 per cent of the workers for the Bell Telephone System in Palo Alto, were members of RU.

He said Franklin believes a bloody revolution will occur in about three years while Greenberg wants to build a base for the revolution to occur in about 15 years.

Franklin later split from the Revolutionary Union and formed a radical group called "Venceremos."

MEMBERS

The Goffs said RU had about 400 members in the San Francisco bay area and that chapters had spread to

New York, Chicago and Detroit.

In great detail, they told how RU members organized into collectives and studied the teachings of Mao Tse-tung as printed in his "little red book." They said a collective in Salinas was organized to attract GI's from Fort Ord to liquor parties where members tried to recruit them.

The chairman of one collective, they said, had been drafted and with the encouragement of the RU planned to try and disrupt the army. He said letters from the soldier now at Fort Bragg, N.C., indicated he had been told by friends in South Vietnam of fragging incidents.

"This is, I guess, shooting people on your own side," said Goff. "He seemed quite excited about that."

Goff, a gunsmith, displayed a rifle of the type that he said the organization sought to convert from semiautomatic to the outlawed automatic status. He said the group also wanted to stockpile weapons.

At the close of the hearing, Ichord said the staff of the committee would attempt to track down persons named in executive session who are in the armed forces.

The only persons named as members of RU by the Goffs in public testimony were Greenberg and his wife, Mary Lou, both of the San Jose area, and Franklin.
